

BART Agreement Number: 6M8120

Approval Date: 08/31/18

Work Plan No. A.03-03 - Accessibility Improvement (AIP) – Phase 2

Phase 2A - Preliminary Design

Scope:

The purpose of the Accessibility Improvement Program (AIP) is to improve accessibility in and around the BART station sites and to better meet the needs of the disabled community. An additional goal is to enhance access and safety in an integrated way through coordination with other BART construction programs. The AIP evaluation (field and user surveys) has been completed and has prioritized accessibility improvements for the Program. This scope of services is for 30% design documents for Phase 2, referred to as Phase 2A, and includes the following six stations: Bay Fair, Hayward, MacArthur, Fruitvale, San Leandro and Fremont Stations.
