

BART Agreement Number: 6M8132

Approval Date: 8/16/19

Work Plan No. A.10-01 – DSDC for 15LK-120A Market Street Escalators Renovation

Scope:

The Market Street Escalator Renovations contract consists of furnishing and installing new (Full Replacement and one escalator at a new escalator location) or renovated (Truss-up) escalators at various locations in BART stations with Bid Option 1 to renovate (Truss-Up), and maintain, four MUNI level escalators at the Embarcadero Station. Bid Option 2 is included to extend the Equipment Performance Preservation Period by an additional 24-month period. The work includes providing an inspection report of existing trusses to be reused, new trusses at new escalators, all required components, and safety devices. All materials from the existing escalators shall be removed and replaced with new parts as specified or approved equal.
