What does safety look and feel like for you?

Draw a picture of it here, and write a little bit about it.
What does safety look and feel like for you?
Draw a picture of it here, and write a little bit about it.
Imagine a community that is safe and free of violence—(No toxic gender norms, no harassment or any type of violence). Draw what that would look like here.
Imagine a community that is safe and free of violence—
(No toxic gender norms, no harassment or any type of violence).

Draw what that would look like here.
Think about one relationship in your life that makes you feel safe, happy, confident, and supported. What does this positive, nurturing, loving relationship look and feel like? What colors does it remind you of?

Draw and color it here

why is this positive, nurturing, and loving? Write a little bit here.

Why is this positive, nurturing, and loving? Write a little bit here.
Draw a program, group, or club that you have been a part of or know of that makes you feel safe, confident, and happy.

Why does this space make you feel this way? Write a little bit here.
Draw a program, group, or club that you have been a part of or know of that makes you feel safe, confident, and happy.

Why does this space make you feel this way? Write a little bit here.
What would you need from your community to feel safe, confident, and happy in every space you exist?

• How about at home?
• How about at school?
• How about in your neighborhood?
• How about in your community?
what would you need from your community to feel safe, confident, and happy in every space you exist?
