### ***STRATEGIES:***

#### ***Program Elements:***

- 1. **Master Plan.** Create a 15-year systemwide arts master plan, focusing on the art vision for stations and the system as a whole, including the identification and prioritization of arts opportunities. The plan will serve as a valuable tool to guide the allocation of resources as they are available.
- 2. **Implementation Plan.** Create a five-year art program work plan to identify short-term project workload, establish fundraising goals, and create a phasing and implementation plan for building up the program.
- 3. **Permanent Works.** Continue to add permanent works to the BART system, including station art works in the stations as well as murals on BART infrastructure visible in public areas, to add visual appeal and abate graffiti.
- 4. **Integrated Art.** Maximize visual impact of arts funds by identifying opportunities to integrate art and artistic elements into the design of capital improvements.
- 5. **Temporary Art.** Offer temporary art programming opportunities that appropriately activate public spaces and engage BART riders. This may include visual arts, rotating displays, performance, media, music, literature

and poetry, and should provide opportunities for a diverse range of artists.

6. **Interpretation, Conservation.** Develop lively and effective interpretive strategies, including onsite signage, web-based resources and other guides to art throughout the system. This will increase art accessibility to BART riders and reinforce the connection between art and BART's functional priorities.
