On May 18, 2015, BART commissioned Miller³ Consulting Inc., to conduct a Disparity Study (the Study) to support the District's DBE Program. In conducting this Study, Miller³ collected and analyzed data to determine disparities, if any, between the availability and utilization of small, minority, woman and disadvantaged-owned businesses for contracts awarded by BART.

Miller³ Consulting, Inc. will be sharing information on the findings and recommendations of the Disparity Study at three public meetings in Alameda, San Francisco, and Contra Costa Counties on December 1st and 2nd.

If you are unable to attend the public information sessions, you can view a copy of the PowerPoint presentation on www.bart.gov and provide your feedback by 5:00 pm, December 16th. Please email your comments to: BARDisparityStudy@bart.gov.
