

SAN FRANCISCO BAY AREA RAPID TRANSIT DISTRICT

MEMORANDUM

TO: Board of Directors 1 July 2021

FROM: Kevin Franklin, Deputy Chief of Police
BART Police Department

SUBJECT: Body Worn Camera Procurement

Pursuant to the District's Surveillance Technology Ordinance, which requires that the BART Police Department submit to the Board of Directors a Surveillance Impact Report and a draft Surveillance Use Policy at least 21-days prior to a public meeting where approval will be requested, the BART Police Department is submitting the required documents for review in support of the forthcoming Executive Decision Document from the Office of the Chief Information Officer titled "Axon Officer Safety Plan Subscription" concerning the procurement of services and equipment including new body worn cameras for the BART Police Department.

If you have further questions, please feel free to contact me at (510) 464-7772.

Kevin Franklin
