

MARKET STREET STATIONS ENTRANCES Canopy & Escalator Projects

Canopy Project at a Glance

Escalator Project at a Glance

- Total of **19 new station entrance canopies** at four stations: Embarcadero, Montgomery, Powell and Civic Center. Three additional canopies are options in the contract, but unfunded at this time.
- Two pilot canopies are already completed at Powell and Civic Center stations.
- Each canopy will take approximately eight months to construct.
- The project is estimated to be completed by 2026.

- Total of **41 new escalators** at the four stations: Embarcadero, Montgomery, Powell and Civic Center. **23 at street level – 18 at platform level**
- The first two escalators will be installed at Powell and Civic Center, under the new canopies.
- Each new escalator will take approximately six months to install.
- The project is estimated to be completed by 2027. *(Contractor will perform equipment maintenance for two additional years beyond construction.)*

Benefits

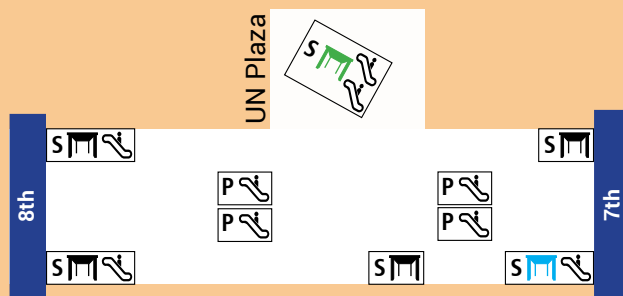

- Canopies lock stair access at street level
- Canopies satisfy state code requirements prior to any new escalator installation
- Canopies protect employees who open and close station
- Canopies protect new escalators from weather reducing equipment maintenance costs
- Canopies assist with wayfinding on Market Street

- Real-time screens at rear of canopy providing train schedules
- Multiple security cameras on every canopy
