

BART Carpool Parking Permit Application

To obtain your temporary permit, complete this application and attach it in an email to parking@bart.gov

Overview

BART encourages all riders to use the Official BART app for carpool parking and payment. Visit www.bart.gov/carpool for more information. This temporary BART carpool permit is for riders at the Orinda, Dublin, Warm Springs, and Antioch stations who are unable to use the BART Official app to pay for carpool parking, and expires on January 17th, 2020. After this date, BART plans to require carpoolers to use the app to pay for and validate their carpool.

Program Instructions

- Park anywhere in Permit designated parking area.
- Display two unique permits on your vehicle dashboard (one for each member of the carpool).
- Pay for your carpool parking inside the paid area of the BART station. You may pay with cash, blue ticket, or EZ rider. If you do not pay, you will be cited.
- BART Carpool Permit is only valid at station issued.
- Permit expires on January 17th, 2020.
- Using the carpool permit to park in the Permit area of the BART station without having two BART riders present when vehicle enters BART will result in revocation of the permit.

Application Information

FIRST AND LAST NAME:

STATION: *Indicate Orinda, Warm Springs, Dublin/Pleasanton, or Antioch*

VEHICLE LICENSE PLATE NUMBER(S): *List up to three vehicles that will use the permit*
