TEMPORARY BUS AND SHUTTLE STOP RELOCATION AT DALY CITY STATION

Dear Customers:

Bus and shuttle stops will be temporarily relocated Friday, December 13 through Sunday, December 15 because of repaving on Niantic Avenue at Daly City Station. The ADA, passenger, and paratransit drop off areas will not be affected by the work.

Work crews will be repaving the inner lane of Niantic Avenue (lane closest to the station).

The relocations will be minor and will be accessible from the station exit. Temporary bus and shuttle stops will be as follows:

- Muni 28/28L: from the curb east of the station to the bus island.
- Samtrans 120/121: from the curb east of the station to the bus island.
- SFSU Shuttle: from the curb southeast of the station to the far curb (across the street) on the south side of the station.

Please see the map on the reverse of this bulletin for the temporary bus and shuttle stop locations.

If there are delays in the construction work, the relocations may extend into Monday.
