

## **Parking**

Because BART stations won't open until 5 am, current parking payment methods will not be available for Early Bird Express riders. To allow riders to continue to pay for parking between 3:30 am and 5:30 am, BART will offer three different ways to pay for parking.

1. **Official BART app:** Once you have parked, use the [official BART app](#) to pay for your spot with a credit card, PayPal or Venmo. The app can be downloaded at any time. The pay for parking pilot feature is being offered exclusively to Early Bird Express riders. The parking payment feature will be available on the app starting Feb. 5th and only works between 3:30 am and 5:30 am. You will need to update the app to its latest version when the feature becomes available (app users will receive a notice that an update is needed).
2. **Select-a-Spot Single-Day Pass:** A single-day pass can be purchased online through [www.select-a-spot.com/bart](http://www.select-a-spot.com/bart). This option will be available by February 4th and requires you to purchase the single-day pass online and print out and display the pass on the front dashboard of your car, clearly displaying the pass number. You can purchase up to two weeks of passes in advance in one log in session. Park in the fee area, not the permit area.
3. **Hang Tag Single-Day Pass:** Purchase one or more pre-printed, single-day, hang tag parking passes in person at the Lake Merritt and Embarcadero Clipper Card Office customer service centers (hours below). This option will be available by February 4, 2019. Each hangtag is good for one day. You must scratch off the month, date, and year of the date you are parking. Scratching off more than one date will invalidate the pass. The hang tag must be displayed visibly on your rearview mirror or dashboard with the date facing outward. Park in the fee area, not the permit area. BART Customer Service Center at Lake Merritt Station in Oakland (sales windows are located on the concourse level in both the free and paid areas): Monday-Friday, 7:30 am-5 pm. Clipper Customer Service Center at Embarcadero Station in San Francisco (located on the concourse level): Monday-Friday, 7 am-7 pm; Saturday, 9 am-2 pm.

The cost to park will remain the same and Clipper cannot be used to pay for parking in the 4 am hour.

### **EBX Parking is available at the following BART Stations between 4:00 am – 5:00 am.**
