Dear Customer:

We will be repaving the bus intermodal area at El Cerrito Plaza station. This work will start on September 4, the day after Labor Day, and will last about 4 weeks. The work is staged into 2 phases; each will last approximately 14 calendar days.

Phase 1 will be on the East side of the station and Phase 2 will be on the West side of the station. During each phase, buses that normally use the closed section will be relocated to the opposite side of the station.

Please pay attention to signage in the area. All parking rules will be enforced. There will be temporary taxi parking in 3 stalls in the lot. Please see the map on the reverse of this bulletin.
