## ENTRANCES CLOSED AT EMBARCADERO STATION FOR EARTHQUAKE SAFETY UPGRADES AUGUST THROUGH FALL OF 2015 UPDATED SEPTEMBER 2015

Dear Customer:

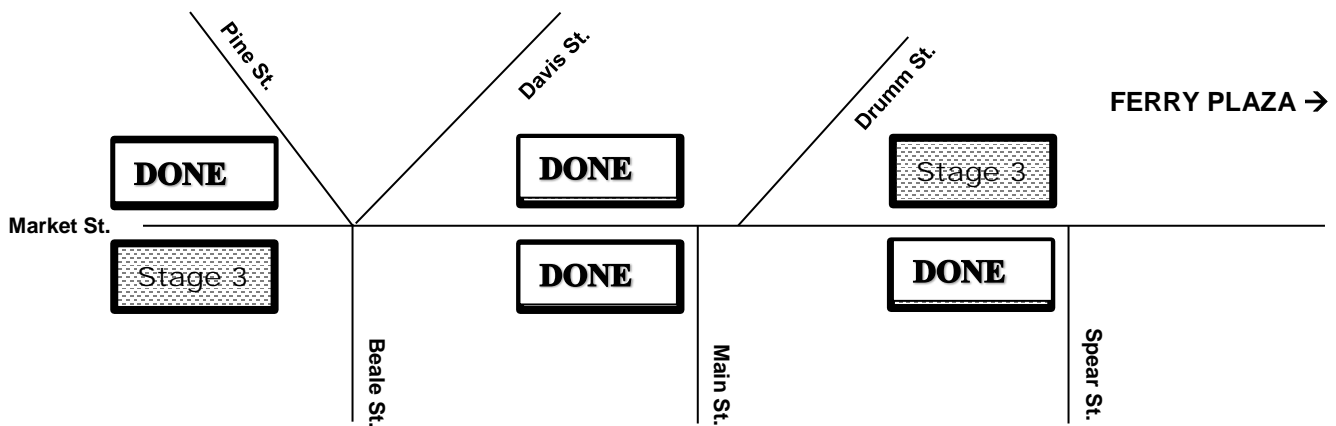

As part of the BART systemwide Earthquake Safety Program, BART crews will begin work to prepare Embarcadero Station to better withstand future earthquakes. This will require each of the six Embarcadero Station entrances to be closed during various stages of construction. Work will take place during daytime and nighttime hours and will be enclosed within fenced-in plywood barriers. This work is expected to begin in early August and last through fall 2015\* (see the diagram below for details). We will be replacing the decorative granite trim at each entrance.

**Stage 1 Closure:** North side of Market between Davis and Main and South side of Market near Spear: **DONE**

**Stage 2 Closure:** North side of Market near Pine and South side of Market near Main: **DONE** September 2015

**Stage 3 Closure:** South side of Market near Beale and North side of Market near Spear: **SEPT – NOV 2015**

*\* All dates are approximate and subject to change and order of locations closed is also subject to change.*
