EARTHQUAKE SAFETY CONSTRUCTION AT FRUITVALE STATION CREATES ADDITIONAL TEMPORARY DETOURS and BUS MOVES

Dear Customer:

As part of the BART systemwide Earthquake Safety Program, construction activity at Fruitvale Station will create additional temporary detours and bus moves in the AC Transit Bus Bay, located on the west side of the Station main entrance. You will see concrete trucks, concrete pump/hose, scissor lifts, drill rigs, along with flaggers on site to assist with traffic control. This activity is scheduled to take place one additional day this week on Friday, March 29 from approximately 10 AM to 2 PM. Please watch for directional signs and flaggers to assist you with access and navigation of the Fruitvale Station and AC Transit bus stops during this construction activity. Allow more time in your travel plans. We will monitor noise and dust, working to minimize any inconveniences; and, local regulations will be enforced. (See map on back side of this bulletin)

Earthquake Safety construction consists of seismic retrofit work performed on each footing and pier cap (a beam connecting two columns) that serves to support the BART trackway under the alignment. Work continues inside and outside the Fruitvale Station and is in its final phases of construction at this location, preparing to complete seismic retrofit construction this Spring.

We apologize for the inconvenience and appreciate your patience and cooperation during construction. As always, safety is BART's top priority. Our aim is to complete seismic retrofit work as quickly as possible, while maintaining BART service. Fruitvale Station will REMAIN OPEN for BART riders during construction. Please watch for additional notices regarding upcoming construction.

To contact the Earthquake Safety Program or obtain additional information, please visit our website at www.bart.gov/earthquakesafety or call our Program Information Line at **(510) 874-7425**.

If you need language assistance services, please call BART's Transit Information Center at (510) 465-2278.

Si necesita servicios de asistencia de idioma, llame al centro de información de tránsito del BART al (510) 465-2278.

如需語言援助服務，請致電 BART 公共交通資訊中心，電話號碼為 (510) 465-2278。

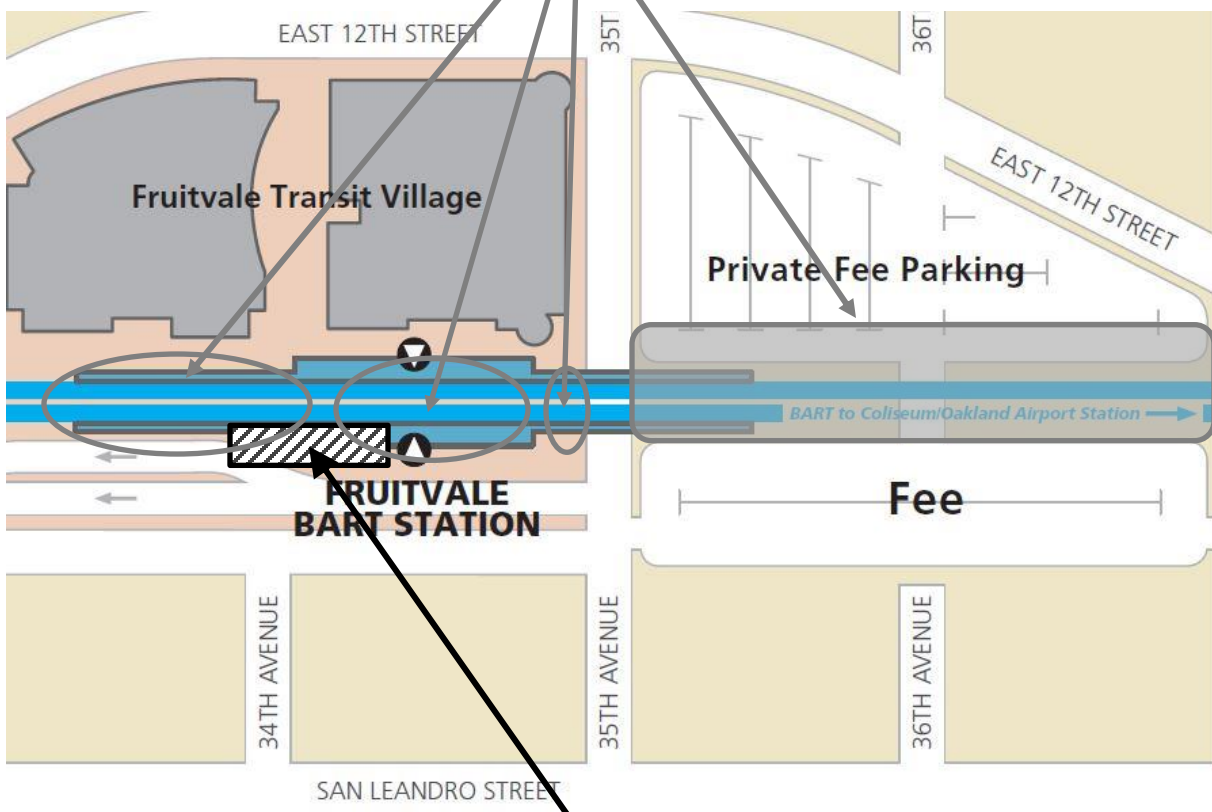

통역이 필요하시면, BART 수송 정보 센터 (510) 465-2278 로 전화해 주십시오.

Nếu quý vị cần các dịch vụ trợ giúp ngôn ngữ, xin gọi cho Trung Tâm Thông Tin Chuyên Chở Công Cộng của BART tại số (510) 465-2278.

Kung kailangan mo ang tulong ng mga serbisyo ng wika, paki tawagan ang BART Transit Information Center na (510) 465-2278

EARTHQUAKE SAFETY CONSTRUCTION ACTIVITY LOCATIONS

Construction at Fruitvale Station continues inside and outside the station in multiple locations.

This bulletin is to advise you of construction activity located outside the Fruitvale Station, west of the main entrance. **Construction will require temporary detours and bus moves for an additional day this week on Friday, March 29, on the westside of Fruitvale Station. Please allow more time in your travel plans.**
