IMPROVEMENTS TO FRUITVALE STATION IN JUNE AND JULY (CORRECTED TEMP BUS STOP LOCATIONS)

Dear Customer:

Beginning Monday, June 25 and continuing through the end of July, crews will be working on improvements to the bus access and sidewalks at Fruitvale station. These improvements will require that some bus stops be relocated while the work is being done.

The work will be conducted in two (2) phases (see map on back for locations):

Phase 1: Close the bus stop (temporary stops will be located along San Leandro Street, 35th Avenue, East 12th Street, and the taxi stand) and replace the concrete bus pad, replace the sidewalk at the plaza, repave asphalt concrete and install a decorative crosswalk. (Work will take approximately 28 days).

Phase 2: Close off the taxi area and replace the sidewalks and install a new decorative crosswalk. (Work will take approximately 10 days).

We apologize for any inconvenience this may cause you and appreciate your patience.
