March 10, 2015

As part of the Warm Springs Extension Project, construction crews will perform sidewalk repair work and temporarily reduce the westbound lane on Walnut Avenue from two lanes down to one and redirect pedestrian and bicycle access between BART Way and Civic Center.

The work will include, but is not limited to:

- Traffic control placement
- Demolish and rebuild of existing sidewalk and driveways along Walnut Avenue

Signs will be posted to direct pedestrians and flaggers will also be on hand to guide pedestrians.

We appreciate your continued patience during construction. If you have questions regarding these activities, please contact our office at (510) 413-2060 or e-mail bartwarmsspringsextension@bart.gov.
