#### Estimated Start Date

Saturday, April 18

#### Estimated Duration

16 hours on Saturday, April 18

Intermittent weekday lane closures through mid-May

#### Impacts

- Road closures with detours
- Traffic delays
- Increased dust and noise

#### General Work Hours

Saturday, April 18, 5 am to 9 pm

Monday-Friday, 7 am – 7 pm

### April 16, 2015

As part of the BART Warm Springs Extension Project, closures will be required on Saturday, April 18 over an estimated 16-hour period at the intersection of South Grimmer Blvd. and Warm Springs Blvd. Following this work, intermittent lane closures will continue in the area through mid-May. These temporary closures are needed to repair and improve the existing intersection. See the exhibit on the back of this page for a map of the impacted area.

The work will include, but is not limited to:

- Installing changeable message signs
- Temporary road and lane closures on South Grimmer Blvd. and Warm Springs Blvd. on Saturday, April 18, 5 am to 9 pm
- Intermittent, temporary lane closures on South Grimmer Blvd. and Warm Springs Blvd. on weekdays continuing through mid-May
- Paving and striping of existing roadway

Please follow all posted detour signs and other notices regarding construction activities and safety information. We appreciate your continued patience during construction. If you have questions regarding these activities, please contact our office at (510) 413-2060 or e-mail [bartwarmsspringsextension@bart.gov](mailto:bartwarmsspringsextension@bart.gov).
