Monday through Friday

Saturday work as necessary

As part of the **BART Warm Springs Extension Project**, construction crews will be receiving large equipment and installing it within the existing ventilation structures at Fremont Central Park on Thursday, June 11 and Friday, June 12. This may cause some temporary reduction in parking availability at Fremont Central Park, near the softball fields and Stevenson Boulevard. This activity will be required over the course of 2-3 days.

The work will include, but is not limited to:

- Large equipment, such as cranes, accessing the site to the existing ventilation structure.
- Temporary loss of parking.

Please follow all posted parking and pedestrian detour signs and other notices regarding construction activities and safety information.

We appreciate your continued patience during construction. If you have questions regarding these activities, please contact our office at:
