Construction Notification # 20

Sheet Pile Driving Set to Resume

July 28, 2010

Construction crews will begin driving sheet piles for the Fremont Central Park Subway on BART property near the UPRR trackway north of Paseo Padre Pkwy, south of the golf driving range and east of Lake Elizabeth. The work will include, but is not limited to:

- Setting up fencing to define the contractor's work area
- Clearing shrubs and vegetation in the work area
- Staging materials
- Driving sheet piles for the excavation support system

There is currently no public access to the work area, therefore there will be no disruption of pedestrian vehicular traffic.

We appreciate your continued patience during construction. If you have questions regarding these activities, please contact our project information line at (510) 476-3900 or e-mail bartwarmsspringsextension@bart.gov. You can also visit our Community Relations Field Office located in Fremont Central Park off of Stevenson Boulevard Monday through Friday, 8 am to 5 pm.
