On December 28th, the first of 3 temporary vehicular, bicycle, and pedestrian traffic detours will take place on Stevenson Blvd between Guardino Drive and immediately east of Civic Center Drive. The temporary detours are necessary to allow for placement of a temporary bridge on Stevenson Blvd. The alternate route established for the detour is Guardino Drive to Walnut Ave., to Civic Center Drive, to Stevenson Blvd. The Police Department, Dog Park/ Basketball Complex, and Animal Shelter will remain accessible. The closure is expected to last up to 6 hours beginning at 9:00 a.m. and concluding by 3:00 p.m.

The work will include, but is not limited to:

- Placement of changeable message signs along Stevenson Blvd.
- Placement of a temporary bridge and related work
- Removal of signs and road clean up

Following installation of the bridge for westbound traffic, a bridge will be installed for eastbound traffic. The remaining two detours for temporary bridge installation will take place in early January of 2011. Look for future notices about these detours.

All work is weather permitting.

We appreciate your continued patience during construction. If you have questions regarding these activities, please contact our project information line at (510) 476-3900 or e-mail bartwarmspringextension@bart.gov. You can also visit our Community Relations Field office located in Fremont Central Park off of Stevenson Boulevard Monday – Friday 8 am to 5 pm.
Westbound Stevenson Blvd. Closure and Detour

Location of Closure on Westbound Stevenson Blvd.

Detour via Guardino Drive to Walnut Ave to Civic Center Drive
