The Union shall notify the Employer in writing each time any Individual Employer fails to make such report. Any Individual Employer failing to make such report three (3) times in one (1) calendar year shall for such failure to report pay one hundred dollars (\$100) into the Operating Engineers and Participating Employers Pre-Apprentice, Apprentice, and Journeyman Affirmative Action Training Fund and one hundred dollars (\$100) for each additional failure. In the event an Employee is terminated, the Individual Employer shall indicate on the discharge slip the reasons for discharge, i.e., reduction in force, not qualified, termination of job, etc.

**03.03.01 *Employee Transfer.*** No Employee may be transferred from an Individual Employer's payroll to another Individual Employer's payroll, except in accordance with the Job Placement Regulations.

**03.04.00 *Conflicting Contracts.*** Any oral or written agreements between any Employer, any Signatory Association, or any Individual Employer, and an Employee which conflicts, or is inconsistent with this Agreement or any supplemental Agreement hereto, or which disestablishes, or tends to disestablish the relationship of Employer, Individual Employer, and Employee, or which reestablishes an employment relationship other than that of Employee, shall forthwith terminate.

**03.04.01** No oral or written agreement which conflicts or is inconsistent with this Agreement, or any supplemental Agreements hereto, shall hereafter be entered into by an Individual Employer.

**03.04.02** No Employee shall be asked to sign any form relating to his medical history unless required by law or Governmental regulation. This Section shall continue to be applicable until such time as the parties to this Agreement mutually develop and agree to implement an acceptable program.

**03.05.00 *General Savings Clause.*** It is not the intent of either party hereto to violate any laws, rulings, or regulations of any Governmental authority or agency. The parties hereto agree that in the event that any provisions of this Agreement are finally held or determined to be illegal or void as being in contravention of any such laws, rulings, or regulations, nevertheless the remainder of the Agreement shall remain in full force and effect, unless the parts so found to be void are wholly inseparable from the remaining portion of this Agreement. The parties agree that if and when any provisions of this Agreement are finally held or determined to be illegal or void, they will then promptly enter, within thirty (30) days of written notice by either party, into lawful negotiations concerning the substance thereof.

**03.06.00 *Favorable Legislation.*** In the event legislation covering hours of labor, overtime or other conditions of employment applicable to any work covered by this Agreement is enacted, then and in that event, effective on the effective date of such legislation, such more favorable provisions shall be added to this Agreement and this Agreement modified to conform herewith, applicable to all work covered by this Agreement bid or let on or after the date such provision is added to this Agreement.

**03.06.01 *Federal Emergency Energy Conservation Plan.*** In the event that a compressed workweek measure under the Federal Emergency Energy Conservation Plan or under any other Federal successor plan is adopted during the term of the Agreement which requires a deviation in terms of starting time or length of the regular shift, the parties agree to negotiate a modification of this Agreement.

**03.06.02 *Favored Nations Clause.*** The wage rates, working conditions, and hours of employment and other conditions of employment herein provided have been negotiated by the Union with the Employer. The Union will give the Employer a copy of all Agreements it enters into with any Employer which covers on-site work covered by this Agreement which has terms and conditions which are different from this Agreement. An Individual Employer engaging in on-site work of the same type as that covered by such Agreement may, upon written notice to the Union, become a party to such Agreement.

**03.06.03 *Other Agreements or Conditions More Favorable:*** Effective July 1, 2010, in the event that the Union, which is signatory hereto, enters into any other Master Construction Labor Agreement covering the forty-six (46) Northern California counties for on-site work covered by this Agreement with other Individual Employers or Employer Associations, which shall have terms or conditions more favorable to such Individual Employers or Employer Associations and the Members thereof than this Agreement, then such more favorable provision(s) shall immediately become part of and apply to this Agreement while the remainder of the Agreement shall remain in full force and effect.

**03.06.04** This Section shall only be applicable to the Northern California Master Construction Agreement between the Union and the Employer (Association) and/or Individual Employers. This shall not apply to Project Labor Agreements.

**03.07.00 *Liability of the Parties.*** It is mutually understood that neither the Employer, any Individual Employer, nor the Union shall be liable for damages caused by the acts or conduct of any individual or groups of individuals who are acting or conducting themselves in violation of the terms of this Agreement without authority of the respective party, provided that such action or conduct has not been specifically authorized, participated in, fomented or condoned by the Employer, the Individual Employer or the Union, as the case may be.

**03.07.01** In the event of any unauthorized violation of the terms of this Agreement, responsible and authorized representatives of the Union, the Employer, or the Individual Employer, as the case may be, shall promptly take such affirmative action as is within their power to correct and terminate such violation for the purpose of bringing such unauthorized persons into compliance with the terms of this Agreement. Such individuals acting or conducting themselves in violation of the terms of this Agreement shall be subject to discipline, up to and including discharge.

**03.07.02** In the event the Union, or the Employer, the Individual Employer, or either of them, as the case may be, after notice of such violation, do not promptly take such affirmative action as is within their power to correct and to terminate such violation, then 03.07.00 shall be of no force and effect.

**04.00.00 EMPLOYMENT**

**04.01.00 Hiring.** All hiring shall be subject to and in accordance with the Job Placement Regulations of this Agreement, which are contained in a separate Addendum ("Addendum E"). Any changes to the Job Placement Regulations must be approved and ratified by the bargaining parties.

**04.01.01** It shall be the responsibility of the Individual Employer, when ordering Employees or applicants, to give the Union all the pertinent information regarding each Employee's or applicant's employment, which shall include the classification of work and classification number when available under which the Employee or applicant for employment will be dispatched. Any applicant for employment so dispatched who does not possess the qualifications to perform the work for which he is dispatched shall not be eligible for show-up pay.

**04.02.00 Union Security.** All Employees covered by this Agreement employed at the site of construction, alteration, painting or repair of a building, structure or other work shall be required, as a condition of employment, to apply for, and to become members of, and to maintain membership in, the Union (that is the parent Local Union or the appropriate subdivision of the Union as determined from time to time by the Union by classification) within eight (8) days following the beginning of their employment or the effective date of this clause, whichever is the latter. This clause shall be enforceable to the extent permitted by law.

**04.02.01** All Employees covered by this Agreement not employed on the site of construction, alteration, painting or repair of a building, structure or other work shall be required, as a condition of employment, to apply for, and to become members of, and to maintain membership in, the Union (that is the parent Local Union or the appropriate subdivision of the Union as determined from time to time by the Union by classification) within thirty-one (31) days following the beginning of their employment or the effective date of this clause, whichever is the latter. This clause shall be enforceable to the extent permitted by law.

**04.02.02** The Union recognizes its obligations and therefore assumes full responsibility to every Employee discharged for failing to comply with the provisions of 04.02.00 and 04.02.01 last above set out, as a result of a written request from the Union to the Individual Employer of the Employee.

**04.02.03** Any Employee discharged for failing to comply with the provisions of 04.02.00 and 04.02.01 above, as the case may be, while actively employed shall, before registering in a Job Placement Center for dispatch under this Master Agreement, tender to the Union his initiation or reinstatement fee and current quarterly dues in the form and manner regularly required by the Union, and the Union shall issue a receipt therefore. Upon presentation of such receipt to the Job Placement Center as evidence of such tender, the Employee shall be permitted to register as if he had never been discharged for such non-payment.

**04.03.00 Discharge of Employee.** No Employee shall be discharged or discriminated against for activity in or representation of the Union. The Union shall be the sole judge of the qualifications of its members.

**04.03.01** The Individual Employer shall be the judge of the qualifications of all of his Employees and may on such grounds discharge any of them.

**04.03.02** No Employee shall be discharged without "just cause". In the event of discharge without "just cause", the Employee may be reinstated with payment of wages and fringe benefits for time lost. Disputes concerning the existence of "just cause" shall be determined under the grievance procedures provided for in Section 18.00.00. Employees discharged for "just cause" shall be paid only for actual time worked. An Employee who is terminated by an Individual Employer for discrimination based on race, sex or other basis prohibited by employment discrimination laws, including race or sexual harassment, may not register with the Job Placement Center for fifteen (15) days following the date the Employee is terminated for a first offense and may not register with the Job Placement Center for thirty (30) days following the date the Employee is terminated for any subsequent offense. If the Union files a

grievance on such an Employee's behalf, the parties shall expedite the grievance/arbitration procedure. The Board of Adjustment shall issue a bench decision in all such discharge cases. If the Union files a grievance, the fifteen (15) day and thirty (30) day restrictions will not begin until the date the grievance procedure is exhausted as provided herein.

The parties may initiate mediation for any dispute concerning the "No Discrimination/No Harassment" provisions of this Agreement. If they do, the grievance procedure will be held in abeyance during the mediation.

**04.03.03** No Employee covered hereby may be discharged for refusing to cross a lawful primary picket line established by a Local Union of an International Union affiliated with the Local Building Trades Council that covers the geographical area of the picket line, Building and Construction Trades Department of the AFL-CIO or a Local Union thereof or the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America or a Local Union thereof; provided, however, if the picketing or picket line is disapproved by the Unions affiliated with the Heavy and Highway Committee including the District Council of Ironworkers, International Association of Bridge, Structural and Ornamental Iron Workers and Piledrivers, Bridge Wharf and Dock Builders, the Union shall not recognize it. The Heavy and Highway Committee shall approve or disapprove the picket or picketing within twenty-four (24) hours of notification by the Individual Employer, during which period of the time, the Employees covered by this Agreement shall continue to work. This provision shall not apply to a jurisdictional picket line. However, an Employee of an Individual Employer who refuses to report to the job or project of an Individual Employer and perform his/her work for the Individual Employer when directed to do so by the Union under the provisions of 03.07.01 may be discharged by his Individual Employer. Such discharged Employee may register in any Job Placement Center, but he/she shall be ineligible for dispatch until the sixtieth (60th) day after the date of his/her discharge.

**04.04.00 Owner-Operator.** Whenever "Owner-Operator" is used in this Section, it means Operating Engineer Equipment Operator-Employee only and does not apply to a Heavy Duty Repairman/Welder or a Lubrication and Service Engineer or equipment (generators, welding machines, fixed drills, lathes, pickup trucks, grease trucks, lube trucks or trucks and trailers) used by them or either of them and necessary or advisable for the performance of any work of a Heavy Duty Repairman/Welder or Lubrication and Service Engineer. With respect to the classifications and equipment above excluded from this Owner-Operator clause, no such equipment shall be used on any job or project if such equipment is owned, rented, or leased by the Employee using such equipment or by a member of his immediate family.

**04.04.01** This Section shall only apply to an Owner-Operator who has legal or equitable title to his or her equipment and who personally operates that equipment in the performance of his or her work.

**04.04.02** This Section shall not apply to any other form of business entity, partnerships, limited partnerships, corporations, joint ventures, etc.

**04.04.03** Any other business entity shall be subject to Section 05.00.00 *APPLICATION TO SUBCONTRACTORS*.

**04.04.04** Any Owner-Operator who is a member of the Union in good standing and who possesses a valid contractor's license shall have the option of electing, in writing, not to be placed on the Individual Employer's payroll. If the Owner-Operator elects not to go on the payroll, the Individual Employer shall pay into the Pensioned Health and Welfare and Affirmative Action Trust Funds at the required contribution rates. The Individual Employer shall notify the Union of the option selected. Each of the Funds agrees to defend the legality of this Subsection in any action to which it is a party. Each of the parties to this Agreement specifically agrees to join in the defense of any action brought by any person or entity claiming that this Subsection is unlawful.

**04.04.05** Any Owner-Operator who is not a member in good standing of the Union shall be on the payroll of the Individual Employer with full fringes being paid from the first (1st) day of employment.

**04.04.06** The Individual Employer may not circumvent the provisions of this Section by utilizing Section 05.00.00, *APPLICATION TO SUBCONTRACTORS*, to subcontract to operators of individually-owned and manned pieces of equipment. In the event that occurs, the Individual Employer shall be liable for full fringes plus twenty-five percent (25%).

**04.04.07** Owner-Operators shall not be subject to the provisions of Sections 04.06.00 through 04.12.00 or be considered an Employee for the purposes of 04.10.24[iii] of the Job Placement Regulations of this Agreement, provided the Job Placement Center servicing the job or project shall be notified of the name, address and Social Security Number of the Owner-Operator within twenty-four (24) hours after the Owner-Operator reports for work regardless of how long he works.

**04.04.08** In the event an Individual Employer has failed to notify the Job Placement Center servicing the job or project of the name, address and Social Security Number of the Owner-Operator within twenty-four (24) hours after the Owner-Operator has reported for work to said Individual Employer, and said Individual Employer is subsequently found by audit or otherwise to have violated any of the Owner-Operator provisions of Section 04.00.00 resulting in the failure to pay wages and/or fringes under this Agreement, such Individual Employer's liability under Section 18.04.00 shall be for the payment of an amount equal to the wages, straight time and overtime, and fringe benefits that would have been paid by the Individual Employer but for the violation plus twenty-five percent (25%). Such liability shall be for not more than the sixty (60)-day period prior to written notification by the Union to the Individual Employer and Employer notwithstanding any other provision of said Section 18.04.00. Provided, however, if said Individual Employer can establish from records maintained in the normal course of business that the Job Placement Center has received the required twenty-four (24)-hour notice and is subsequently found to be in violation, the Individual Employer's liability for payment under Section 18.04.00 shall be limited to fringe benefits only for not more than the sixty (60)-day period prior to written notification by the Union to the Individual Employer and the Employer. Of the liquidated damages provided for in this Section, an amount equal to the amount of the fringe benefits, if any, that should have been paid but were not, shall be credited to the Owner-Operator; the balance shall be paid into the Operating Engineers' Pre-Apprentice, Apprentice and Journeyman Affirmative Action Training Fund.

**04.04.09** The Individual Employer who utilizes an Owner-Operator shall provide, upon the request of any authorized agent of the Union, copies or original records made reflecting the hours worked, equipment used, and payments made by the Individual Employer to the Owner-Operator and on the Owner-Operator's behalf.

**04.04.10** The Individual Employer expressly reserves the right to control the details of the manner, time and means by which the Owner-Operator performs his/her services, as well as the ends to be accomplished, and shall be the sole judge of the capability of the Owner-Operator's equipment to perform the work required to be performed, and may, if the Individual Employer determined that the Owner-Operator's equipment is not capable of performing the work required to be performed, terminate such Owner-Operator's services. Failure to work the day or half-day out as directed shall terminate the Owner-Operator's employment, and he shall be paid only for actual time worked prior to such failure. The Individual Employer shall not pay for time spent by the Owner-Operator in repairing, servicing or maintaining his equipment after termination of employment, or before or after his shift, as the case may be.

**04.04.11** Any Owner-Operator who employs Operating Engineers under a subcontract with an Individual Employer signatory to a collective bargaining agreement with the Union shall comply with the terms of Section 05.00.00.

**04.04.12** If an Owner-Operator who meets the criteria set forth in 04.04.04 above elects not to go on the payroll of the Individual Employer, the parties agree that the Owner-Operator shall be compensated in an amount equal to the total hourly compensation rate that would have been paid an Employee of the Individual Employer performing similar work plus a reasonable rate for rental of the Owner-Operator's equipment. For the purpose of this provision, the total hourly compensation rate referenced above shall include the applicable wage rate plus the amount that would have been contributed on an Employee's behalf to the Pension Trust Fund, Health and Welfare Trust Fund and Vacation and Holiday Pay Plan.

**04.04.13** Any Owner-Operator who has elected to go on the payroll of the Individual Employer shall be governed by the terms of this Agreement as written, and each such Owner-Operator must specifically waive any claim of exemption from any provision of said Agreement based upon an assertion of independent contractor status. Any Owner-Operator member who elects to not go on the payroll must waive any claim of Employee status and rights under 29 United States Code 157.

**04.04.14** Compensation for the equipment shall be by check for the full amount due, less any agreed advances. A statement of any charges by the Individual Employer shall be issued at the same time.

**04.04.15** The Owner-Operator shall provide and have sole responsibility for fuel, oil, grease, tires, tubes, repairs, and any other items necessary to operate his equipment. He/she shall have complete freedom to purchase any such items at any place where efficient service and satisfactory products can be obtained at the most favorable prices.

**04.04.16** There shall be no interest or handling charge on earned money advanced prior to the regular payday.

**04.04.17** The provisions of this Section have been negotiated and agreed upon by and between the parties for the objects and purposes expressed in 04.04.19. The parties have not undertaken to negotiate for the Owner-Operator-Employees any profit whatsoever for the leasing and rental of the equipment they operate. On the contrary, compensation for the equipment shall be set by agreement between the Individual Employer and the Owner-Operator at a level which will not circumvent or defeat the payment of wages and fringe benefit payments and conditions of any Employee covered by this Agreement.

**04.04.18** There shall be no reductions by reason of the signing of this Agreement where the present basis of payment is more favorable to the Owner-Operator than the basis provided for herein.

**04.04.19** It is further mutually understood and agreed that the intent of this Section is to assure the payment of wages, subsistence and fringe benefit payments and the observance of the conditions provided in this Agreement, and to prohibit the making and carrying out of any plan, scheme or device to circumvent or defeat the payment of wages, subsistence and fringe benefit payments and the observance of the conditions provided in this Master Agreement.

**04.04.20** It is further agreed that the Individual Employer will not devise or put into operation any scheme, whether herein enumerated or not, to defeat the terms of this Section of this Agreement, nor shall any Owner-Operator's arrangement with an Individual Employer be entered into for the purpose of depriving any other Employee of employment. In the event that the Individual Employer has available equipment on the job during the period of the repair of the Owner-Operator's equipment, and for a period not to exceed two (2) shifts and so long as no other Employee is laid off to provide work for such equipment, an Owner-Operator may be assigned to operate equipment not furnished by him, but except under such circumstances the Owner-Operator shall be exclusively assigned to the equipment furnished by him.

**04.04.21** Reckoning of time on an Owner-Operator's last day of employment shall be as follows: All time worked during the first (1st) four (4) hours shall be reckoned by the half-shift. All time worked beyond the first four (4) consecutive hours shall be reckoned by the hour.

**04.04.22** Notwithstanding any other provision of this Agreement, an Owner-Operator who has worked as an employee (or as an Employee) shall be subject to 04.02.00 after seven (7) days' employment by the Employer and/or one (1) or more Individual Employers. No Owner-Operator shall have any right to enforce this Agreement by grievance, arbitration or otherwise until he has been placed on the payroll of an Individual Employer as an Employee.

#### **05.00.00 APPLICATION TO SUBCONTRACTORS**

**05.01.00** The purpose and intent of this Section is to preserve and protect employment opportunities and terms and conditions of employment of all Employees covered by this Agreement to the maximum extent permitted by law.

**05.02.00** No on-site work covered by this Agreement which historically has been performed by the Individual Employer, or by the industry if the Individual Employer has no such history, on the site of a job or project shall be performed off the site of a job or project.

**05.03.00 Definition of Subcontractor.** A Subcontractor is defined as any person (other than an Employee covered by this Agreement or an individual Owner-Operator [unless Owner-Operator is employing Employees]), firm or corporation who agrees orally or in writing, to perform, or who in fact performs for, or on behalf of, an Individual Employer, any part or portion of the work covered by this Agreement as defined in Section 02.05.00.

**05.04.00 On-Site Work.** With respect to on-site work covered by this Agreement, that is, work done or to be done at the site of the construction, alteration, painting or repair of a building, structure or other work:

**05.04.01** The terms and conditions of this Agreement insofar as it affects Employer and the Individual Employer shall apply equally to any Subcontractor of any tier under the control of, or working under oral or written contract with such Individual Employer on any on-site work covered by this Agreement, and said Subcontractor with respect to such on-site work shall be considered the same as an Individual Employer covered hereby.

**05.04.02** That if an Individual Employer shall subcontract on-site work as herein defined in Section 02.05.00, such Subcontractor shall state in writing that such Subcontractor agrees to be bound by and comply with the terms and provisions of this Agreement in the performance of his/her subcontract and agrees to execute a subcontracting terms and conditions Agreement as provided in Attachment "A" of this Agreement.

**05.04.03** Subsections 05.04.01 and 05.04.02 shall not apply to Subcontractors who perform landscape work, wood fencing, wood retaining walls, slurry seal, striping, hydro seeders, straw blowing, silt fencing and/or hay baling if the Non-Signatory Subcontractor who performs such work submits a bid which is more than twenty percent (20%) lower than a signatory Subcontractor's bid or no Signatory Subcontractor submits a bid. This provision is applicable only if the Individual Employer solicits bids from Signatory Subcontractors.

**05.05.00** Regardless of anything in this Agreement to the contrary, no on-site work covered by this Agreement of a Heavy Duty Repairman or a Lubrication or Service Engineer or an Employee who operates or maintains the following equipment — generators or welding machines or uses in the performance of his work fixed drills, lathes, pickup trucks, grease trucks, lube trucks and trailers or any or all of them — will be subcontracted to any person or individual if such person or individual performs any such work.

**05.06.00** The Individual Employer shall provide a list of Subcontractors who will perform unit work under this Agreement as set forth in Section 02.05.00 where the subcontract amount is over \$25,000. Notice at a pre-job conference will satisfy the requirements of this Section. Furthermore, the Individual Employer shall provide written notice prior to the commencement of work by the Subcontractor of any such subcontract entered into subsequent to a pre-job conference with a Subcontractor who will perform unit work under this Agreement as set forth in Section 02.05.00. Any Individual Employer who has given such notice and requires the subcontractor to agree to comply with and observe the provisions of Subsection 05.04.00 hereof with respect to the jobsite work shall not be liable for any delinquency by such Subcontractor in the payment of any wages, fringe benefits or contributions provided herein except as hereinafter provided.

**05.06.01** In the event the Union questions compliance by a Subcontractor with the provisions of this Section, the Union shall so notify the Employer, the Individual Employer and Subcontractor in writing, and the Subcontractor shall furnish to the Union within fifteen (15) days, a written itemized record of all pertinent information. Additionally, where itemized payroll records are required for submission to public contractor agencies on behalf of Subcontractors, the Subcontractors shall furnish copies of such submission to the Union upon written request. If the Subcontractor refuses, the Individual Employer shall cause the Subcontractor to supply the information. The provisions of this Section shall not be applicable if the Subcontractor is an Individual Employer signatory to this Agreement.

**05.06.02** If any Subcontractor shall become delinquent in the payment or meeting of the obligations set forth in 05.00.00, the Union shall promptly give written notice thereof to the Individual Employer and Subcontractor specifying the nature and amount of such delinquency as nearly as can be ascertained. If such notice is given, the Individual Employer shall withhold the amount claimed to be delinquent out of any sums due and owing by the Individual

Employer to such Subcontractor and shall pay and satisfy therefrom the amount of such delinquency by such subcontractor. Any dispute as to the existence or amount of such delinquency shall be settled as provided in Section 18.00.00 hereof and if the Subcontractor is found in violation, the Individual Employer shall be obligated to pay the amount determined to be due, including liquidated damages as described above, out of the money so withheld from the Subcontractor, into the Operating Engineers and Participating Employers Pre-Apprentice, Apprentice, and Journeyman Affirmative Action Training Fund.

**05.06.03** The Individual Employer shall not be liable for any such delinquency when in compliance with Section 05.04.02.

**05.07.00** Unless a Subcontractor is an Individual Employer signatory to this Agreement, the subcontracting Terms and Conditions Agreement required by 05.04.02 shall not cover any other jobs or projects of the Subcontractor, and the application of the subcontracting Terms and Conditions Agreement to the Subcontractor pursuant to these provisions shall terminate contemporaneously with the termination of such subcontract with the Individual Employer.

**05.08.00** In the event bid specifications contain MBE/DBE/WBE/DVBE requirements, upon request, the Union will meet with the Individual Employer with the primary intent of assisting the Individual Employer in fulfilling the legal requirements of said bid specifications.

Supplemental Dues are specifically part of the uniform monthly dues of each Employee, as specified in the provisions of Section 04.02.00, Union Security, of this Agreement. The Employees shall be obligated to make such payment directly to the Union on a monthly basis if the dues authorization provided for herein is not executed, under such terms and conditions as from time to time may be prescribed by the Union.

**12.12.01** The Union shall exonerate, reimburse and hold harmless the Employer, each Individual Employer, and their respective officers, directors, agents, and employees, individually and collectively, against any and all liabilities and reasonable expenses arising out of the payment, receipt or a distribution of the amounts designated by the Union.

**12.12.02 Operating Engineers Retiree Supplemental Benefit Plan**

**12.12.03** It is understood and agreed to by the Employers and the Operating Engineers Local Union No. 3 of the International Union of Operating Engineers that a new joint labor-management trust fund will be established during the term of the current Master Labor Agreement for purposes of providing eligible retirees with supplemental benefit checks only, which shall not be associated with or be a basis of funding for the Pension or Health and Welfare Plans.

**12.12.04** It is also further understood and agreed by the parties that this Plan is an Employee welfare benefit plan and that this Plan will be funded out of the Union membership's designated wage allocation as determined by the Union. It is the intent of the parties that the maximum total funding for this plan shall not exceed fifteen cents (\$.15) per year during the term of this Agreement or any future agreement, unless expressly agreed to by the parties in writing.

**12.12.05** It is also agreed to by the parties that no monies shall be allocated to this newly established fund until such time as the pension fund reaches a ninety percent (90%) funded level, which has been verified by the Pension Fund actuary.

**12.13.00 Delinquencies.** Insofar as payments by Individual Employers into the Trust Funds are concerned, time is of the essence. The parties recognize and acknowledge that the regular and prompt payment of amounts due to the Trust Funds by Individual Employers is essential to the efficient and fair administration of the Trust Funds and the maintenance of plan benefits, and that the Boards of Trustees of the Trust Funds have established a reasonable, diligent, and systematic collection process. If Individual Employers do not make timely payments, the Trust Funds

lose the investment return they should have received, and incur additional administrative expense in the form of letters, telephone calls, and other collection expenses. In addition, the Trust Funds incur additional management expense by reason of time necessary to oversee the collection process by the Board of Trustees, Executive Director, and others. The Trust Funds are also delayed or prevented from processing claims by employees for benefits under the plan. The Trust Funds' collection expenses, and inability to pay benefits constitute damages arising from an Individual Employer's default in making payments, and these damages cannot be allowed to deplete the contributions promptly paid by other Individual Employers.

**12.13.01 Liquidated Damages.** It would be extremely difficult and impractical to fix the actual expense and damage to the Funds for each Individual Employer's default. Therefore, the amount of liquidated damages to the Trust Funds resulting from any Individual Employer's default, over and above attorneys' fees, audit fees and interest for delinquent contributions, shall be 10% of the unpaid contributions as of the delinquent date. However, if a lawsuit to collect delinquent contributions has been filed, the amount of liquidated damages on the unpaid contributions shall be increased to an amount equal to the greater of 20% of the unpaid contributions, or interest on the amount of the unpaid contributions from the delinquent date until the dates they are paid in full, at the rate referred to in Section 12.13.02 below.

**12.13.02 Interest.** Unpaid contributions shall accrue late interest charges from the delinquent date until paid, at the rate of 10% per year simple interest beginning on the delinquent date. The Boards of Trustees of the Trust Funds may from time to time establish such other rates as they deem appropriate, in accordance with the Trust Agreements.

**12.13.03 Installments.** In addition, if a delinquent Individual Employer agrees to pay its delinquency in installments and fails to make such payments in the amount and at the time and place agreed, it is agreed that the amount of damage to each Trust Fund resulting from any such failure shall be by way of liquidated damages and not as a penalty to each such Trust Fund, the sum of the unpaid installment due and unpaid to each such Trust Fund, for each such failure to pay in full within the time provided, which amount shall become due and payable to each such Trust Fund in Alameda, California, or at the place and time otherwise directed by the Trust Funds. The unpaid installment shall bear interest at the rate of ten percent (10%) per annum until paid.

**12.13.04 Special Rules for Repeated Delinquencies.** The Trust Funds may, in the event of repeated delinquencies by the same Individual Employer, make special rules applicable to the due date of said Individual Employer's contributions and may require the Individual Employer to post a bond or other security against further delinquencies; or to increase an existing bond or security for that purpose.

**12.13.05 Settlements.** Liquidated damages and late interest charges on unpaid contributions may be waived or compromised under appropriate circumstances pursuant to the delinquency collection procedures established for the Trust Funds.

**12.13.06 Collection Expenses.** If any Individual Employer defaults in the making of such payments and if either the Union, the Trust Funds or the Plan, or any of them, consults or causes to be consulted legal counsel with respect thereto, or files or causes to be filed any suit or claim with respect thereto, there shall be added to the obligation of the Employer who is in default all reasonable expenses incurred by the Union and the Trust Funds in the collection of same, including but not limited to, reasonable attorneys' fees, auditors' and accountants' fees, court costs and all other reasonable expenses incurred in connection with such suit or claim including any appellate proceedings therein.

**12.13.07 Special Rules.** When a contributing Individual Employer has been assessed liquidated damages and interest for a period of two (2) late months during any twelve (12) consecutive month period, upon the occurrence of the second (2nd) assessment, and subject to subsection (e) below, the Individual Employer will promptly be notified (with copies to the Local Union and the Employer) that if said Individual Employer becomes delinquent again and is assessed liquidated damages and interest during any of the succeeding twelve (12)-month period, he/she will be subject to the following rules:

(a) The Individual Employer shall be audited in order to determine compliance with the provisions of this Section 12.00.00 and/or the Trust Fund Documents.

(b) The Individual Employer shall be required to provide the Trust Funds with a cash deposit or bond equal to the sum of the three (3) highest months' contributions made in the immediate preceding twelve (12)-month period, or such lesser sum as the Delinquency Committee deems appropriate.

(c) The Individual Employer's due and delinquent date shall be the 15th day of the month.

(d) Once these special rules have been applied to an Individual Employer, they shall remain in effect for at least twelve (12) months. At the end of this period, the Individual Employer may petition the Board to terminate these special rules and release the cash deposit or bond; this may be allowed only if the Individual Employer has been current in his/her reports and contributions for each and every month during the preceding twelve (12) -month period and the Board is otherwise satisfied that there will be no further delinquencies.

(e) The foregoing rules shall not actually be applied to any Individual Employer until the Delinquency Committee has been advised at a meeting that they have become applicable (or will become applicable if another delinquency occurs). The Delinquency Committee may then, upon its own motion or upon the Individual Employer's request, waive any of the above rules, in whole or in part, for reasonable cause. If the Delinquency Committee has been so advised and has not waived these rules or any of them, the rules will be applied by the Trust Funds.

**12.13.08 California Law.** The parties recognize and agree:

(a) that the references to fringe benefits in Sections 7071.5 and 7071.11 of the California Business and Professions Code include payments for fringe benefits and vacation and holiday pay as described in this Agreement and Trust Agreements creating each Trust;

(b) that said payments are for the benefit of the Employees of each Individual Employer covered by this Agreement, and that the failure of an Individual Employer to make said payments, in the manner and at the time prescribed, causes damage to all Employees, including the Employees of the Individual Employer in default, in the amount of the unpaid fringe benefits and vacation and holiday pay as well as the liquidated damages established herein, interest, and any attorneys' and accountants' fees which the Union, the Trusts, or the Plan, or any of them, may incur with respect to said default;

(c) that the Union, the Trusts or the Plan, or any of them, may bring a claim or legal action against the Individual Employer's license bond on behalf of an Employee or Employees covered by this Agreement.

**12.14.00 Security for Payments.** Each Individual Employer delinquent one (1) or more months in making the payments set forth in Section 12.00.00 shall be notified of such delinquency in writing by the Fund Manager of the Trust Funds. Copies of such notices shall be sent to the Employer and to the Union.

**12.14.01 Notice.** Each such delinquent Individual Employer shall within five (5) days of the receipt of such written notice pay the delinquent amount in full or make other suitable arrangements acceptable to the Delinquency Committee of the Trust Funds for payment. Such amounts owing are to be determined by the Fund Manager of the various Funds. The Fund Manager shall notify the Employer of any such arrangements which may be made by the Delinquency Committee with the Individual Employer.

**12.14.02 Failure to Pay.** If an Individual Employer fails to pay the delinquencies as determined by the Fund Manager in the time provided in 12.14.01, or fails to make other suitable arrangements for payment acceptable to the Trust Funds, it shall not be a violation of this Agreement so long as such delinquency continues, for the Union to withdraw the Employees who are subject hereto from the performance of any work for such Individual Employer and such withdrawal for such period shall not be a strike or work stoppage within the terms of this Agreement. In the event that any Employees of any Individual Employer shall be withdrawn pursuant to any similar clause in any agreement between the Individual Employer and any other labor organization, then the Union may respect such

withdrawal, and for the period thereof, may refuse to perform any work for such Individual Employer, and such refusal for such period shall not be a violation of this Agreement.

**12.14.03 *Withdrawn Employees.*** Any Employees so withdrawn or refusing to perform any work as herein provided shall not lose their status as Employees but no such Employee shall be entitled to claim or receive any wages or other compensation for any period during which he has been so withdrawn or refused to perform any work.

**JOINT LABOR MANAGEMENT**  
**SUBSTANCE ABUSE POLICY**

**I. INTRODUCTION**

The Union and the Employer establish this Policy in order to provide the Individual Employer with a comprehensive substance abuse program, to provide Employees who abuse and/or are addicted to drugs, including alcohol, a means to receive treatment for their abuse and/or addiction, and to provide for a safe workplace. An Individual Employer is not obligated by this Agreement to have a substance abuse policy. Implementation of this Policy is not mandatory by any Individual Employer, but this Policy is the only policy the Individual Employer may implement for Employees. Once implemented, the Policy shall remain in effect unless otherwise agreed to by the Union and the Individual Employer.

An Individual Employer which is regulated by the United States Department of Transportation ("DOT") Code of Federal Regulation CFR 382 and 49 may elect not to implement the testing provisions of this Policy for its Employees who are not regulated by DOT.

**II. NOTICE**

- A. An Individual Employer must give written notice to the Union that it is implementing this Policy. The notice must be delivered in person, by certified mail or by FAX before it implements the Policy. A DOT regulated Individual Employer shall specifically notify the Union whether it is implementing the testing provisions of this Policy for its Employees who are not subject to DOT regulations. The notice shall be delivered to the Union at the following address:

Operating Engineers Local Union No. 3  
1620 South Loop Road  
Alameda, CA94502  
(FAX: [510] 748-7401)

- B. The Individual Employer may not implement this Policy unless it subjects all management and supervisory employees to the same type of testing which is provided herein.
- C. An Individual Employer who has implemented this Policy shall advise the Union dispatchers with whom it places an order for Employees that it intends to drug test dispatched Employees. A test result shall not be set aside because an Individual Employer does not give such notice.
- D. An Individual Employer who implements this Policy shall provide written notice of this Policy to all Employees including those dispatched to it by the Union and shall provide each Employee with a copy of the Policy.
- E. Failure to give a form of notice as set forth in this section shall make any drug testing engaged in by the Individual Employer a violation of the Master Agreement and no results of any such test shall be relied upon to deny employment or pay or to discipline any Employee.

**III. PURPOSE OF POLICY**

- A. The Individual Employer and the Union are committed to providing a safe and productive work environment for Employees. The Employer, Individual Employer and the Union recognize the valuable resource we have in our Employees and recognize that the state of an Employee's health affects attitude, effort, and job performance. The parties recognize that substance abuse is a behavioral, medical and social problem that causes decreased efficiency and increased risk of accidents and of injury.

The Individual Employer and the Union therefore adopts this Policy. The intent of the Policy is threefold:

1. To maintain a safe, drug and alcohol free workplace;
  2. To maintain our work force at its maximum effectiveness; and
  3. To provide confidential referral to the Addiction Recovery Program ("ARP") and to provide confidential treatment to those Employees who recognize they have a substance abuse problem and voluntarily seek treatment for it.
- B. In order to achieve these purposes, it is our primary goal to identify those Employees and refer them to professional counseling, and treatment *before* job performance has become a disciplinary problem. Employees are urged to use the services available through ARP. ARP will assist them and refer them to the appropriate treatment program.
1. Treatment for substance abuse and chemical dependency is provided under the Health and Welfare Plan, up to the limits described in the plans.
  2. An Employee shall be granted necessary leave of absence for treatment ARP recommends contingent upon signing a return-to-work agreement as provided for in Section XI.

#### **IV. EDUCATION PROGRAM**

The Individual Employer will implement a comprehensive drug awareness and education program which shall be in conformance with the DOT regulations. The program shall include educating Employees and management/supervisory personnel about substance abuse and chemical dependency, the adverse affect they have on Employees and the Individual Employer, and the treatment available to Employees who abuse substances and/or are chemically dependent, and the penalties that may be imposed upon Employees who violate this Policy. The Individual Employer shall consult with ARP before it implements this policy so that ARP can provide education to the Individual Employer and its Employees. ARP shall continue to provide an educational program for the Individual Employer for their Employees and shall, to the maximum extent possible, train the Employees of Individual Employer who implement this Policy.

#### **V. CONFIDENTIALITY**

The Individual Employer will abide by all applicable State and Federal laws and regulations regarding confidentiality of medical records in any matter related to this Policy. The Individual Employer shall designate one of its management, supervisory or confidential employees to be its custodian of records and contact person for all matters related to this Policy. All such records shall be kept in a locked file which shall be labeled "confidential." Employee records related to this Policy shall not be kept in the Employee's personnel file.

All information from an Employee's drug and alcohol test is confidential for purposes other than determining whether this Policy has been violated. Disclosure of test results to any other person, agency, or organization is prohibited unless written authorization is obtained from the Employee. The results of a positive drug test shall not be released until the results are confirmed. Every effort will be made to insure that all Employee issues related to this Policy will be discussed in private and actions taken will not be made known to anyone other than those directly involved in taking the action, or who are required to be involved in the disciplinary procedure.

#### **VI. TESTING**

Testing for the presence of alcohol or controlled substances and/or their by-products in one's body may only be performed under the conditions set forth herein. All testing shall be done in accordance with the standards established by the Substance Abuse and Mental Health Services Administration ("SAMHSA"), any successor agency, or any other agency of the federal government which has responsibility for establishing standards for drug testing. All such agencies shall be collectively referred to as "SAMHSA."

Chain of Custody. All SAMHSA standards for Chain of Custody will be adhered to. A specimen for which the SAMHSA standards are not complied with shall not be considered for any purpose under this Policy.

Laboratories. All laboratories which perform tests under this Policy shall be SAMHSA certified.

Testing Procedures and Protocols. All SAMHSA standards for testing standards and protocols shall be followed. All specimens which are determined to be positive by the SAMHSA approved screening test shall be subject to a SAMHSA certified confirmatory test (gas chromatography/mass spectrometry).

Second Test. The laboratory shall save a sufficient portion of each specimen in a manner approved by SAMHSA so that an Employee may have a second test performed. Immediately after the specimen is collected, it will be labeled and then initialed by the Employee and a witness. If the sample must be collected at a site other than the drug and/or alcohol testing laboratory, the specimen shall then be placed in a transportation container. The container shall be sealed in the Employee's presence and the Employee shall be asked to initial or sign the container. The container shall be sent to the designated testing laboratory on that day or the earliest business day by the fastest available method. Any Employee whose specimen is tested positive and who challenges a test result may have the second portion of the sample tested at his/her expense and at a laboratory agreed upon by the Employee and the MRO so long as that laboratory is SAMHSA certified and has been or is approved by the parties and the Employee requests the second test within seventy-two (72) hours of notice of a positive result. If the second test is negative, the Employee will be considered to have been tested negative.

Cut-Off Levels. SAMHSA standards for cut-off levels will be complied with when applicable. The cut-off levels for both the screening and confirmatory tests shall be per Federal standards as determined by the U. S. Department of Health and Human Services ("DHHS"). Only tests which are positive pursuant to the SAMHSA standards shall be reported to the Medical Review Officer as positive. A .04 blood/alcohol level or above shall be considered to be positive.

Medical Review Officer. A Medical Review Officer ("MRO") shall verify all positive test results. The MRO must be a licensed physician. The MRO shall be a member of the American Society of Addictive Medicine ("ASAM") if available. If no ASAM members are available, the MRO shall be certified by the Medical Review Officers' Certification Council. The Union shall approve all MRO's. Upon verification of a positive test result, the MRO shall refer the affected Employee to ARP for assessment and referral to treatment, if appropriate.

Consent Form. Any Employee directed to submit to a test in accordance with this Policy will sign a consent and release form, a copy of which is attached hereto (Form "A"). The consent and release form will only authorize (1) the facility where the specimen is collected to collect the specimen, (2) the laboratory which performs the test to perform the test and to provide the results to the MRO, and, if negative, to the Individual Employer, and (3) the MRO to verify tests and report to the Individual Employer whether the test is positive or negative. The consent and release form shall notify the Employee that he/she may have a Union representative present if available.

The Employee may be disciplined if he/she refuses to sign the authorization if the Individual Employer has advised the Employee (1) he/she must sign it or he/she will be disciplined up to and including termination, (2) the release is limited as provided herein, (3) the Employee has a right to consult with a Union representative before signing the release and before submitting to the test. An Employee who believes the Individual Employer is improperly directing him/her to submit to a test may file a grievance under the Master Agreement. The test results will be disregarded if the Board of Adjustment or Arbitrator determines the Individual Employer was not authorized by this Policy to direct the Employee to submit to the test.

Substances to be Tested For. A specimen may be tested for alcohol, cannabinoids (THC), barbiturates, opiates, cocaine, phencyclidines (PCP), amphetamines, and methaqualone or the by-products of these substances. A specimen shall not be tested for anything else. If DOT revises its list of substances for which it requires Individual Employer to test, this Section will be revised to include those substances. The laboratory will report positive test results to the MRO. The MRO will verify whether the test is positive or negative. The MRO shall report to the

Individual Employer whether the Employee tested positive or negative for one of these substances. The MRO will not identify the substance(s) for which the Employee tested positive unless specifically required to do so by DOT regulations.

Urine, Blood, or Breath Test. The Individual Employer may direct the Employee to submit to a urine test or at the Employee's request, a blood test for alcohol and/or other drugs, or a breath test for alcohol. An Employee who is unable to provide a urine sample within one (1) hour of being directed to do so, will submit to a blood test.

Notification to Employer of Test Results. The laboratory shall report negative test results to the Individual Employer. The laboratory will report positive test results to the MRO. The MRO will verify whether the test was positive or negative and will report the final results to the Individual Employer.

## VII. TYPES OF PERMISSIVE TESTING

### A. TIME OF DISPATCH TESTING

An Individual Employer may require an Employee to be tested for the presence in the Employee's body of one of the drugs or by-products thereof set forth above at the time the Employee is dispatched (on one of the first three (3) days of employment). It must test all Employees at the time they are dispatched if it tests any Employee. The Individual Employer shall put the Employee to work or pay the Employee pending the test results unless the Employee has been dispatched to a DOT regulated assignment and the Individual Employer does not have any work for the Employee to perform which is not subject to the DOT regulations or if it has probable cause to believe the Employee is impaired, intoxicated, or under the influence of a drug. The standards for probable cause are set forth below in Section B. If the Individual Employer does not allow an Employee to work pending the test results because it believes it has probable cause, it shall make the Employee whole for all lost wages and benefits if the Employee tests negative. Employees who test positive will be referred to ARP. The Individual Employer shall not be obligated to employ any such Employee after ARP releases the Employee to return to work but may employ such Employee under the terms of a return-to-work agreement. An Employee who refuses to submit to a drug/alcohol test when dispatched shall not be paid show-up time.

An Individual Employer may test Employees who are recalled from layoff as provided for in the Job Placement Regulations who have not worked for thirty (30) days. If the Individual Employer tests any Employee who is recalled, it must test all such Employees. An Individual Employer may test all Employees at the time they are dispatched under this Section except for those who are recalled.

Time of Dispatch Screening by the Job Placement Center: The parties shall establish a joint committee to determine whether there is a feasible means by which the Job Placement Centers can conduct the drug/alcohol screen before dispatching an Employee so that only Employees with a negative test will be referred.

### B. PROBABLE CAUSE TESTING

An Individual Employer may require an Employee to submit to a drug test as provided for in this Policy if it has probable cause that the Employee is impaired, intoxicated, and/or under the influence of a drug. Probable cause must be based on a trained Management Representative's (preferably not in the bargaining unit) objective observations and must be based upon abnormal coordination, appearance, behavior, absenteeism, speech or odor. The indicators shall be recognized and accepted symptoms of intoxication or impairment caused by drugs or alcohol and shall be indicators not reasonably explained as resulting from causes other than the use of such controlled substance and/or alcohol (such as, but not by way of limitation, fatigue, lack of sleep, side effects of proper use of prescription drugs, reaction to noxious fumes or smoke, etc.). Probable cause may not be established, and thus not a basis for testing, if it is based solely on the observations and reports of third parties. The trained Management Representative's observations and conclusions must be confirmed by another trained Management Representative. The grounds for probable cause must be

documented by the use of an Incident Report Form (see Form "B" attached). The Management Representative shall give the Employee a completed copy of this Incident Report Form and shall give the Union Representative, if present, a copy of the Incident Report Form before the Employee is required to be tested. After being given a copy of the Incident Report Form, the Employee shall be allowed enough time to read the entire document and to understand the reasons for the test.

The Management Representative also shall provide the Employee with an opportunity to give an explanation of his/her condition, such as reaction to a prescribed drug, fatigue, lack of sleep, exposure to noxious fumes, reaction to over-the-counter medication or illness. If available, the Union Representative shall be present during such explanation and shall be entitled to confer with the Employee before the explanation is required. If the Management Representative(s), after observing the Employee, and hearing any explanation, concludes that there is in fact probable cause to believe that the Employee is under the influence of or impaired by, drugs or alcohol, the Employee may be ordered to submit to a drug test.

The Individual Employer shall advise the Employee of his/her right to consult with a Union Representative (including a Steward) and allow the Employee to consult with a Union Representative before the Employee submits to the test, if the Union Representative is available.

Employees required to submit to a test under Section B will be paid for all time related to the test including the time the Employee is transported to and from the collection site, all time spent at the collection site, and all time involved completing the consent and release form if the test results are negative.

#### C. ACCIDENT TESTING

An Individual Employer shall require Employees who are directly, or indirectly, involved in work-related accidents involving property damage or bodily injury that requires medical care or work-related accidents which would likely result in property damage or bodily injury be subject to a test as provided herein. The innocent victims of an accident will not be subject to a test unless probable cause exists. The Individual Employer shall complete an Incident Report Form (see Form B attached) whenever it tests an Employee under this Section.

#### D. UNANNOUNCED RANDOM TESTING

An Individual Employer may initiate unannounced random testing, a selection process where affected Employees are selected for testing and each Employee has an equal chance of being selected for testing. If an Individual Employer initiates such testing, all Employees shall be subjected to such testing. The Individual Employer may establish two random testing pools; one for DOT regulated Employees and one for all others. An Individual Employer who initiates random testing shall specifically state in its notice to the Union and its notice to Employees that Employees will be subject to random testing. The Individual Employer shall give thirty (30) days notice to the Union and Employees prior to implementing a random drug testing program.

#### E. DOT REGULATED EMPLOYEES

Notwithstanding any other provision of this Policy, the Individual Employer may require its Employees who are covered by the DOT drug and alcohol testing regulations to submit to testing as required by those regulations. Such testing will be conducted in strict accordance with the Regulations. The Individual Employer may discipline an Employee who tests positive as defined by the Regulations subject to Section XI, REHABILITATION/DISCIPLINE, of the Policy. ARP shall be the Substance Abuse Professional for all Employees. ARP, to the maximum extent possible, shall provide the mandated training to all Employees. Employees who are subject to DOT regulations who have a positive "pre-employment" test (as defined by the DOT regulations) will be paid show-up time only if the Individual Employer does not have any work for the Employee to perform which is not subject to the DOT regulations pending the test result. Employees who are tested under the DOT Regulations who are not allowed by those Regulations to continue to perform safety sensitive functions, as defined by the Regulations, shall be paid for hours worked.

**F. OWNER/AWARDING AGENCY REQUIREMENTS**

Whenever owner or awarding agency specifications require the Individual Employer to provide a drug-free workplace, the Union and the Employer or the Individual Employer shall incorporate such additional requirements herein. This Policy shall apply to all such testing.

**G. QUICK TESTS**

The parties agree to allow the Employers to use, on an individual basis, an oral or urine quick test approved by the bargaining parties as an effective low-cost tool for substance abuse screening for pre-hire, time of dispatch screening only. Testing procedures for the oral test (including the oral screen – OSR device) and the urine test shall be conducted in a manner consistent with the product manufacturer's specifications; in an effort to produce the most consistent and accurate results possible. Dispatched members who fail this saliva or urine test will be sent for standard urine testing. When the Individual Employer conducts the oral screen, a negative result may be accepted and the applicant may be put to work with no further testing required. A non-negative (inconclusive) result will subject the applicant to the Standard Procedures in this Agreement.

**VIII. EMPLOYER REFERRALS**

A decline in an Employee's job performance is often the first sign of a personal problem which may include substance abuse or chemical dependency. Supervisory personnel will be trained to identify signs of substance abuse, chemical dependency, and declining job performance. The Individual Employer may formally refer an Employee to ARP based upon documented declining job performance or other observations prior to testing under Section VII and/or disciplining the Employee.

**IX. EMPLOYEE VOLUNTARY SELF-HELP PROGRAM**

An Employee who has a chemical dependency and/or abuses drugs and/or alcohol is encouraged to participate in an Employee Voluntary Self-Help Program. Any such Employee shall be referred to ARP. Employees who seek voluntary assistance for alcohol and/or substance abuse may not be disciplined for seeking such assistance. Request by Employees for such assistance shall remain confidential and shall not be revealed to other Employees or management personnel without the Employee's consent. ARP shall not disclose information on drug/alcohol use received from an Employee for any purpose or under any circumstances, unless specifically authorized in writing by the Employee.

The Individual Employer shall offer an Employee affected by alcohol or drug dependence an unpaid medical Leave of Absence for the purpose of enrolling and participating in a drug or alcohol rehabilitation program.

**X. PROHIBITED ACTIVITIES/DISCIPLINE**

An Employee shall not possess, use, provide, dispense, receive, sell, offer to sell, or manufacture alcohol and/or any controlled substances as defined by law or have any measurable amount of any such substance or by-product thereof as defined in Section VI while on the Individual Employer's property or jobsite and/or while working for the Individual Employer unless the Employee has the Individual Employer's express permission to do so. An Employee shall not work while impaired, intoxicated or under the influence of alcohol and/or any controlled substance. An Employee who uses medication prescribed by a physician will not violate these rules by using such medication as prescribed if the Employee's physician has released the Employee to work. An Employee who uses over-the-counter medication in accordance with the manufacturer's and/or doctor's recommendation shall not violate the rules by using such medication. Impairment caused by prescribed medication and/or over-the-counter medication does not constitute a violation. The Individual Employer may prohibit an Employee who is impaired as a result of proper use of prescription or over-the-counter medication from working while the Employee is impaired but may not discipline such an Employee. An Employee who is impaired by misuse of prescription or over-the-counter medication violates the Policy and is subject to discipline as provided herein.

## **XI. REHABILITATION/DISCIPLINE**

The Individual Employer may discipline an Employee who violates any provision of Section X. Such Employee is subject to disciplinary action up to and including termination. Among the factors to be considered in determining the appropriate disciplinary response are the nature and requirements of the Employee's work, length of employment, current job performance, the specific results of the test, and the history of past discipline.

The Individual Employer is not required to refer to ARP any Employee who violates any provision of Section X which prohibits the sale of, attempted sale of or manufacture of prohibited substances before it disciplines the Employee. The Individual Employer may not discipline any Employee who violates any other provisions of Section X until such Employee has been offered an opportunity to receive treatment and/or counseling.

Any Employee who fails to come forward to receive treatment and/or counseling prior to an accident, drug screen, for cause or random test shall not be eligible for the reemployment provisions of this Section XI.

Any Employee who comes forward to receive treatment and/or counseling prior to an accident, drug screen, for cause or random test shall be subject to reemployment as follows. The Employee will not be discharged if he/she agrees in writing to undergo the counseling/treatment ARP prescribes. The Individual Employer shall re-employ the Employee when ARP releases him/her to return to work if it has work available. It will not be required to lay-off any current Employee in order to re-employ the Employee. If it does not have any work available when ARP releases the Employee, it shall re-employ the Employee as soon as it has work available. The Employee will be subject to a return-to-work agreement. The Individual Employer, the Union and the Employee will enter into a return-to-work agreement. The return-to-work agreement will require the Employee to comply with and complete all treatment ARP, or the treatment provider, as the case may be, determines is appropriate. It will also provide a monitoring of the Employee's compliance with the treatment plan ARP, or the treatment provider, develops and will allow the Individual Employer to require the Employee to submit to unannounced testing. The Individual Employer may discipline the Employee for not complying with the return-to-work agreement. A positive test on an unannounced test will be considered a violation of the return-to-work agreement. Any unannounced testing shall be performed in accordance with this Policy. The Union and the Individual Employer will attempt to meet with any Employee who violates the return-to-work agreement and attempt to persuade the Employee to comply with the return-to-work agreement. This procedure shall be followed on a consistent basis. Employees who are working under a return-to-work agreement shall be subject to all of the Individual Employer's rules to the same extent as all other Employees are required to comply with them.

The parties agree to establish a Substance Abuse Testing Procedures Committee who shall be empowered to periodically review and update testing procedures. Either party may request a meeting under this section and such meeting shall be convened within thirty (30) days.

The Substance Abuse Procedures Committee composed of Jim Murray, Steve Clark, Jack Estill, Tim Conway, Mark Breslin, Carl Goff, Russ Burns, Mark Reynosa and Byron Loney.

## **XII. NON-DISCRIMINATION**

The Individual Employer shall not discriminate against any Employee who is receiving treatment for substance abuse and/or chemical dependency. All Employees who participate in ARP and/or are undergoing or have undergone treatment and rehabilitation pursuant to this Policy shall be subject to the same rules, working conditions, and discipline procedures in effect for all Employees. Employees cannot escape discipline for future infractions by participating in ARP and/or undergoing treatment and rehabilitation.

## **XIII. COST OF PROGRAM**

Evaluation and treatment for substance abuse and chemical addiction are provided for through the Health and Welfare Plan. An Individual Employer who adopts this Policy will not incur any additional cost for assessment, referral and treatment beyond that which is incorporated into its Health and Welfare contribution rate. ARP is

funded through the Health and Welfare Trust to provide its current level of service which includes performing assessments of Employees and their covered dependents, referral of Employees and covered dependents who are undergoing rehabilitation and providing limited education and training programs to Individual Employer. The Individual Employer will pay all costs for testing.

#### **XIV. GRIEVANCE PROCEDURE**

All disputes concerning the interpretation or application of this Policy shall be subject to the grievance and arbitration procedures of the Master Labor Agreement.

#### **XV. SAVINGS CLAUSE**

The establishment or operation of this Policy shall not curtail any right of any Employee found in any law, rule or regulation. Should any part of this Policy be determined contrary to law, such invalidation of that part or portion of this Policy shall not invalidate the remaining portions. In the event of such determination, the collective bargaining parties will immediately bargain in good faith in an attempt to agree upon a provision in place of the invalidated portion.
