STOCKTON & ELLIS STREET ENTRANCE AT POWELL STREET STATION CLOSING

Dear Customer:

The Stockton & Ellis Street entrance at Powell Street Station (otherwise known as the "Apple Store" entrance) will close on August 27, 2012. The closure is necessary as the City of San Francisco and the San Francisco Municipal Transportation Agency (SFMTA) begin construction work on the Union Square/Market Street Station for the Central Subway.

The entrance will be closed for approximately 5 years. SFMTA plans to re-open the entrance with the opening of the new Union Square/Market Street Station.

There is an elevator available near this entrance which goes to street level and will still be in operation. The other nearest entrance/exit is at Market and 4th Streets.

Please see the map on the reverse of this bulletin for the location of the entrance to be closed and alternative entrances.

We apologize for any inconvenience this may cause you and appreciate your patience.
