Accounts Payable

- We continue to keep our focus on getting our vendors paid as quickly as possible. During the most recent quarter, the District was able to process 91.8% of all paid invoices within 30 days. Of those that were not processed in 30 days, 7.6% were processed within 60 days, and .6% were processed within 90 days. The trend depicting the past year is shown here:
The District’s experience in paying its vendors is generally consistent with its peers. However, we will continue to try and expedite. About 99% of invoices paid within the quarter are processed within 60 days.

3. **DISTRICT FINANCES**
The District continues to actively search for investments which meets the Investment Policy and generates a yield higher than zero. There is not much available. As will be reflected in the next Quarterly Report, we have found some investments yielding an incremental increase. These investments are in compliance with the District’s Investment Policy.

**Cash and Investments**
- Total Cash in Banks: $211,322,721
- Total CD Investments: $960,447
- Total Government Securities: $329,730,000
- Return on T-Bill Investments: Weighted average yield is .25% - Poor investment environment, but always looking.

Debt

The District currently has two types of debt outstanding:

1. Sales Tax Revenue Debt
2. General Obligation Debt

**Sales Tax Revenue Debt**

- Currently outstanding debt of $675.0 million.
- Annual Debt Service $57 million.
- Debt Services comes “off the top” of sales tax revenues remitted to the district by the State Board of Equalization.
- This directly impacts the operating budget.

**General Obligation Bonds**

- These were passed by a 2/3 majority of eligible voters.
- Currently outstanding debt of $630.8 million.
- Issued $740 of $980 authorized.
- Debt paid by annual assessment of BART property tax holders and does not impact the operating budget.
- Most recent assessment as of this current year is $2.60/$100,000
