TEMPORARY BUS STOP RELOCATION DURING CONSTRUCTION AT RICHMOND STATION

Starting July 23 and continuing for approximately 5 weeks, bus stops will be relocated because of construction in the bus intermodal area. All bus lines will still be available; however, AC Transit will be combining both directions of each line at the same stop (please see the map on the back of this bulletin).

The work is being done as part of the construction of the new parking structure.

The existing customer drop-off and pick-up areas in the middle of the bus intermodal will be fenced off by the contractor. These areas will be temporarily relocated to the main sidewalk in front of the station and marked with temporary signs and curb painting. Please watch for and observe temporary pedestrian detour signs during the construction.

The Richmond Station parking structure is being constructed by the City of Richmond as part of the transit village project at the Richmond BART Station. When completed in late 2012, the parking structure will provide 769 parking spaces to replace parking spaces on the east side of the BART Station where the second phase of the Richmond transit village will be constructed.

We thank you in advance for your cooperation, and ask that you observe local parking regulations in the neighborhoods surrounding the BART Station. We apologize for the inconvenience.

If you need language assistance services, please call BART's Transit Information Center at (510) 465-2278.

如果需要语言帮助服务，请拨打 BART Transit (快速交通) 信息中心，电话号码为 (510) 465-2278。

통역이 필요하시면, BART 수송 정보 센터 (510) 465-2278로 전화해 주십시오.

Si necesita servicios de asistencia de idioma, llame al centro de información de tránsito del BART al (510) 465-2278.

Nếu quý vị cần các dịch vụ trợ giúp ngôn ngữ, xin gọi cho Trung Tâm Thông Tin Chuyên Chở Công Cộng của BART tại số (510) 465-2278.
