## TRANSFORMER REMOVAL WORK WILL LIMIT ACCESS TO SOME PARKING AT SOUTH SAN FRANCISCO STATION **7:00 am to 3:30 pm On Monday, August 27, 2012**

Dear Customer:

From 7:00 am until approximately 3:30 pm on Monday, August 27, our work crews will be installing a new transformer at our South San Francisco Station as part of our transformer update program. This work requires the use of a crane which will need to be staged in a portion of the parking lot.

Please refer to the map on the reverse which shows the location of the work area. The area will be clearly marked and signs will indicate alternate routes for vehicles and pedestrians.

We apologize for any inconvenience that this may cause and appreciate your patience as we do this necessary work on our system.
