-led the review of the current Title VI regulations for the San Francisco Bay Area Rapid Transit District, as required by Title VI of the Civil Rights Act of 1964.

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color, or national origin in programs or activities that receive Federal financial assistance. This includes public transportation services.

The review process involved assessing the District’s current policies and procedures to ensure compliance with Title VI requirements. The goal was to improve accessibility and inclusivity for all passengers, including individuals with disabilities.

Additional information about Title VI can be found on the District’s website, www.bart.gov/titlevi.
