

BART Warm Springs Extension

Construction Notification #65 Rail Tie-In Work to Include Night Work at Fremont Station **REVISED**

Construction Details

Summary of Activity

Construct and install rail tie-ins along newly constructed track.

Estimated Start Date

Saturday, February 21, 9 pm

Estimated Duration

Continuous work for up to 22 hours

Impacts

- Increased noise from welding and tamping equipment

Work Hours for This Work

9 pm Saturday through 7 pm Sunday.

February 20, 2015

As part of the BART Warm Springs Extension Project, construction crews will continue the work to connect the newly laid track at Fremont Station. The work will occur within the Fremont BART Station and will not impact traffic.

The work will include, but is not limited to:

- Set up and lay tie-ins along track
- Weld Platform Rails
- Install Cable
- Install Rail

We appreciate your continued patience during construction. If you have questions regarding these activities, please contact our office at (510) 413-2060 or e-mail bartwarmspringsextension@bart.gov.
