BOARD MEETING AGENDA

February 14, 2019

9:00 a.m.

A regular meeting of the Board of Directors will be held at 9:00 a.m. on Thursday, February 14, 2019, in the BART Board Room, 2040 Webster Street, Oakland, California.

Members of the public may address the Board of Directors regarding any matter on this agenda. Please complete a "Request to Address the Board" form (available at the entrance to the Board Room) and hand it to the Secretary before the item is considered by the Board. If you wish to discuss a matter that is not on the agenda during a regular meeting, you may do so under Public Comment.

Any action requiring more than a majority vote for passage will be so noted.

Items placed under "consent calendar" are considered routine and will be received, enacted, approved, or adopted by one motion unless a request for removal for discussion or explanation is received from a Director or from a member of the audience.

Please refrain from wearing scented products (perfume, cologne, after-shave, etc.) to these meetings, as there may be people in attendance susceptible to environmental illnesses.

BART provides service/accommodations upon request to persons with disabilities and individuals who are limited English proficient who wish to address BART Board matters. A request must be made within one and five days in advance of Board meetings, depending on the service requested. Please contact the Office of the District Secretary at 510-464-6083 for information.

Rules governing the participation of the public at meetings of the Board of Directors and Standing Committees are available for review on the District's website (<http://www.bart.gov/about/bod>), in the BART Board Room, and upon request, in person or via mail.

Meeting notices and agendas are available for review on the District's website (<http://www.bart.gov/about/bod/meetings.aspx>); at bart.legistar.com; and via email (https://public.govdelivery.com/accounts/CATRANBART/subscriber/new?topic_id=CATRANBART_1904) or via regular mail upon request submitted to the District Secretary. Complete agenda packets (in PDF format) are available for review on the District's website and bart.legistar.com no later than 48 hours in advance of the meeting.

Please submit your requests to the District Secretary via email to BoardofDirectors@bart.gov; in person or U.S. mail at 300 Lakeside Drive, 23rd Floor, Oakland, CA 94612; fax 510-464-6011; or telephone 510-464-6083.

EXECUTIVE DECISION DOCUMENT

GENERAL MANAGER APPROVAL: <i>6 FEB 2019</i> <i>Rod M. Perum</i>		GENERAL MANAGER ACTION REQ'D:		
DATE: 1/15/2019		BOARD INITIATED ITEM: No		
Originator/Prepared by: Rod Maplestone Dept: Human Resources Administration Signature/Date: <i>Rod Maplestone</i> 2-1-19	General Counsel <i>V. B. [Signature]</i> 2/4/19 []	Controller/Treasurer <i>[Signature]</i> 2/4/19 []	District Secretary []	BARC <i>[Signature]</i> 2/4/19 []

Change order to Agreement No. 6M4282, Investigative Services to Frasco, Inc.

PURPOSE: To obtain Board authorization for the General Manager to extend the time of performance under Agreement No. 6M4282 for Investigation Services for the District's Workers' Compensation Program, with Frasco, Inc., for an additional six months to September 30, 2019. An RFP for a new Investigative Services agreement will be issued during the extension period.

DISCUSSION: On January 9, 2014, Agreement No. 6M4282 for Investigation Services for the District's Workers' Compensation Program was authorized for award to Frasco, Inc. in an amount not to exceed \$1,441,875. The Agreement expires on March 30, 2019. Due to program efficiencies \$826,261.28 remains unspent. The funds already authorized under Agreement No. 6M4282 will be sufficient to provide investigation services for an additional six months.

FISCAL IMPACT: This is a no cost time extension and there is no fiscal impact.

ALTERNATIVES: The alternative is to not extend the term of Agreement No. 6M4282, which would cause a lapse in services while the District issues an RFP for a new agreement. Alternatively, the District could discontinue investigation services under the Workers' Compensation program.

RECOMMENDATION: Adopt the following motion:

MOTION: The General Manager is authorized to extend the time of performance under Agreement No. 6M4282 with Frasco, Inc. for an additional six months to September 30, 2019. The original not to exceed amount for the Agreement remains at \$1,441,875.

To Obtain Board Authorization to Award Agreement No. 6M3421, Traffic Control Services for C55 and R65 Interlocking Projects

PURPOSE:

To obtain Board authorization for the General Manager to award Agreement No. 6M3421 to CMC Traffic Control Specialists to provide Traffic Control Services for C55 and R65 Interlocking construction projects.

DISCUSSION:

As part of Measure RR, the C55 Interlocking in Concord and R65 Interlocking in Richmond will be rebuilt starting in April of this year. This track work will require traffic control services to provide flagging and the necessary detours on the adjacent city streets in these work areas. Request for Proposals (RFP) No. 6M3421 was issued for the Traffic Control Services necessary for the duration of these projects.

On October 31, 2018, the District provided advance notice to eleven (11) prospective proposers for RFP 6M3421. On November 1, 2018, RFP 6M3421 was advertised in several Bay Area newspapers and publications, and the RFP documents were posted on the District's Procurement Portal. Seven (7) firms downloaded the RFP through the Procurement Portal. The District held a Pre-Proposal Conference and Networking Session on November 15, 2018 - five (5) firms attended. By the proposal due date, December 11, 2018, two (2) proposals were received by the District from the following firms:

1. CMC Traffic Control Specialists, Inc., San Francisco, CA. ("CMC")
2. Statewide Traffic Safety & Signs, Inc., Fairfield, CA.

The two (2) proposals were reviewed by the Selection Committee (the "Committee"), chaired by Contract Administration and consisting of three (3) representatives from Maintenance & Engineering and one (1) member from the Office of Civil Rights. The RFP method of selection used was Acceptable Technical Proposal Lowest Price (ATPLP). The Committee reviewed the technical proposals for compliance with the four (4) minimum technical requirements set forth in the RFP. The Committee requested clarifications from both Proposers by a date certain and received the clarifications from both Proposers which the Committee determined satisfied the four (4) minimum technical requirements. Subsequently, the proposals were evaluated, reference-checked, and found to both be technically acceptable.

Both Price Proposals were opened and evaluated on January 8, 2019. In accordance with the RFP, the selection is based on the lowest-priced technically acceptable proposal methodology. Price Proposals received are summarized as follows:

PROPOSER:	TOTAL PROPOSAL PRICE:
CMC Traffic Control Specialists, Inc., San Francisco, CA.	\$345,130
Statewide Traffic Safety & Signs, Inc., Fairfield, CA.	\$421,510
Engineer Estimate	\$321,076

CMC was found to have the lowest priced technically acceptable proposal. Its total Proposal Price was found to be fair and reasonable, and within the project's budget. After the review of the Proposer's business experience and financial capabilities, the Proposer was also determined to be responsible.

Pursuant to the District's Non-Federal Small Business Program, the Office of Civil Rights set a 5% Small Business Prime Preference for this Contract for Small Businesses certified by the California Department of General Services (DGS). It was determined that there were no certified Small Businesses certified by the DGS among the responsive Proposers and, therefore, the Small Business Prime Preference is not applicable.

Pursuant to the District's Non-Discrimination Program for Subcontracting, the Availability

Percentages for this Agreement are 5.5% for Minority Business Enterprises (MBEs) and 2.8% for Women Business Enterprises (WBEs). CMC will not be subcontracting any portion of the Work and therefore, the provisions of the District's Non-Discrimination Program for Subcontracting do not apply.

The Selection Committee determined that the Price Proposal submitted by CMC, was fair and reasonable and therefore recommends CMC for award.

FISCAL IMPACT:

Funding in the amount of \$345,130 for award of Agreement No. 6M3421 to CMC is included in the total project budgets for FMS# 15CQ004, Track Mainline C55 Interlocking Replacement, and 15CQ014, Track Mainline R65 Interlocking Replacement.

The two (2) tables below reflect funding assigned to the referenced projects and is included to track funding history against spending authority. Funds needed to meet this request will be expended from the following sources:

Project: 15CQ004 Track Mainline C55 Interlocking Replacement \$172,565.

Fund No.	Fund Description	Source	Amount
802A	2017 Measure RR GOB	BART	5,813,399
Total			\$5,813,399

As of January 23, 2019, \$5,813,399 is the total budget for the Track Mainline C55 Interlocking Replacement project. BART has expended \$153,439, committed \$17,641, and reserved \$17,389 to date. This action will commit \$172,565, leaving an available fund balance of \$5,452,365 in these fund sources for this project.

Project: 15CQ014 Track Mainline R65 Interlocking Replacement \$172,565.

Fund No.	Fund Description	Source	Amount
802A	2017 Measure RR GOB	BART	\$7,425,000
Total			\$7,425,000

As of January 23, 2019, \$7,425,000 is the total budget for the Track Mainline C55 Interlocking Replacement project. BART has expended \$2,803, committed \$0, and reserved \$0 to date. This action will commit \$172,565, leaving an available fund balance of \$7,249,632 in these fund sources for this project.

The Office of Controller/Treasurer certifies that funds are currently available to meet this obligation.

This action is not anticipated to have any fiscal impact on non-programmed District reserves.

ALTERNATIVES:

The District could reject all Proposals and re-advertise the RFP. However, traffic control services are required to perform this work. There is no assurance that new Proposals would be lower than the amount of the current Proposal received.

RECOMMENDATION:

It is recommended that the Board adopt the following motion.

MOTION:

The General Manager is authorized to award Agreement No. 6M3421 to CMC Traffic Control Specialists for Traffic Control Services for C55 and R65 Interlocking construction projects, for an amount not to exceed \$345,130, pursuant to the notice to be issued by the General Manager and subject to the District's protest procedures.

Invitation for Bid No. 9051, Purchase of Train Operator Uniforms

PURPOSE:

To obtain Board Authorization for the General Manager to award Invitation For Bid No. 9051, for the procurement of Train Operator Uniforms to Galls, LLC.

DISCUSSION:

The District's current collective bargaining agreement with Amalgamated Transit Union Local 1555 requires that the District provide Train Operators with uniforms on a yearly basis. The uniform items requested in the Invitation For Bid reflect items chosen by the joint union/management uniform committee.

This is a three (3) year estimated quantity contract. Pursuant to the terms of the District's standard estimated quantity contract, the District is required to purchase from the supplier a minimum amount of fifty percent (50%) of the contract bid price. Upon Board approval of this contract, the General Manager will also have the authority to purchase up to one hundred fifty percent (150%) of the contract bid price, subject to funding availability.

The District's Nondiscrimination Program for Subcontracting is not applicable to Invitations for Bid. Accordingly, the Office of Civil Rights did not set Minority Business Enterprise (MBE) and Women Business Enterprise (WBE) Availability Percentages for this IFB.

A notice requesting bids was published on October 9, 2018. On the same day this solicitation was uploaded onto the BART Vendor Portal. Bids were opened on January 8, 2019 and the following two (2) bids were received:

Bidders Total Bid Price:

Grand Total including

Bidder

9.25% Sales Tax *

Galls, LLC

Lexington, KY

(with a local office in San Francisco, CA)

\$767,115.26

Banner Uniform Center

San Francisco, CA

\$843,013.42

Independent cost estimate by BART staff: \$870,621.85.

Staff has determined that the apparent low bidder, Galls, LLC, submitted a responsive bid. Staff has also determined that the bid pricing is fair and reasonable based on bid competition.

Pursuant to the District's Non-Federal Small Business Program, the Office of Civil Rights set a 5% Small Business Prime Preference for this IFB for Small Businesses certified by the California Department of General Services. The apparent low Bidder, Galls LLC, is not a certified Small Business and, therefore, is not eligible for the 5% Small Business Prime Preference. The second low Bidder, Banner Uniform Center is a certified Small Business, making it eligible for the 5% Small Business Prime Preference for this IFB for evaluation purposes. After review by the Office of Civil Rights, and application of the 5% Small Business Prime Preference, the application of the Prime Preference will not alter the award to Galls LLC.

FISCAL IMPACT:

Funding of \$767,115.26 for this three (3) year contract will be provided from the Transportation Department's operating budget. Funds will be budgeted in the Transportation operating budget (Department 0805762 - Budget & Administration, Account 502190 - Uniform Allowance). Total funding for this contract, not to exceed 150% of the contract bid price. The uniforms are to be procured over the contract's three (3) year period at the following estimated annual costs:

FY19 \$191,778.82

FY20 \$191,778.81

FY21 \$383,557.63

\$767,115.26

Funding for FY19 is provided for in the approved FY19 Transportation Department budget. Funding for subsequent years, FY20 and FY21 will be included in the proposed annual operating budget, which is subject to Board approval. This action is not anticipated to have

ALTERNATIVES:

Staff could reject all bids and re-advertise. However, staff considers it unlikely that the District would receive lower bids. This would also require additional time, which would not allow the District to meet its obligation to provide uniforms per the collective bargaining agreement.

RECOMMENDATION:

Based on the analysis by staff and certification by the Controller-Treasurer, the funds are available for this purpose, it is recommended that the Board adopt the motion.

MOTION:

The General Manager is authorized to award Invitation For Bid No. 9051 an estimated quantity contract for the procurement of Train Operator Uniforms to Galls, LLC, for the amount of \$767,115.26, including taxes, pursuant to notification to be issued by the General Manager, subject to compliance with the District's Protest Procedure.

AWARD OF INVITATION FOR BID NO. 9053, BRAKE LINING, BONDED ASSEMBLY

PURPOSE: To obtain Board authorization to award Invitation for Bid (IFB) No. 9053 to Railroad Friction Products Corporation of Maxton, NC., in the amount of \$691,425.00, including applicable sales tax, for the purchase of Brake Lining, Bonded Assemblies.

DISCUSSION: The District has 669 revenue vehicles. Each vehicle has four axles and each axle uses two brake linings. Brake linings are a consumable item that must be replaced during preventive maintenance and as such, a spare inventory pool is required to support these replacements.

IFB No. 9053 is a two (2) year estimated quantity contract. Pursuant to the terms of the District's standard estimated quantity contract, during the term of the Contract the District is required to purchase from the supplier a minimum amount of 50% of the contract Bid price. Upon Board approval of this contract, the General Manager will have the authority to purchase up to 150% of the contract Bid price, subject to availability of funding.

A Notice requesting Bids was published and uploaded onto the BART Vendor Portal on October 26, 2018, on the same day this solicitation was uploaded to the BART Vendor Portal. Correspondence was sent to five (5) prospective bidders inviting them to view the solicitation on the Vendor Portal. Bids were opened on December 4, 2018 and two (2) Bids were received:

Bidder	Unit Price	Quantity	Grand Total Including 9.75% Sales Tax
Railroad Friction Products Corp	\$ 35.00	18,000	\$ 691,425.00
Carlisle Brake & Friction	\$ 53.12	18,000	\$ 1,049,385.60

Independent cost estimate by BART staff: \$750,000.00 including sales tax.

Railroad Friction Products submitted the low bid of \$691,425.00 including sales tax. After review, staff has determined that Railroad Friction Products' bid is responsive and that its bid price is fair and reasonable based upon the independent cost estimate.

The District's Non-Discrimination Program for Subcontracting is not applicable to Invitations for Bid. Accordingly, the Office of Civil Rights did not set Minority Business Enterprise (MBE) and Women Business Enterprise (WBE) Availability Percentages for this IFB.

Pursuant to the District's Non-Federal Small Business Program, the Office of Civil Rights set a 5% Small Business Prime Preference for this Contract for Small Businesses certified by the California Department of General Services. Railroad Friction Products is not a certified Small Business and, therefore, is not eligible for the 5% Small Business Prime Preference.

FISCAL IMPACT: Funding of \$691,425.00 for this procurement will come from Rolling Stock and Shops (RS&S) Inventory Material Usage Account (#680-010) as materials are procured. Funding for FY20 is included in the operating budget of department #0803622. Funding for FY21, will be requested as part of next year's operating budget cycle and is subject to Board approval. The proposed award of this Contract will not result in any operating costs above the current year's adopted budget. This action is not anticipated to have any fiscal impact on unprogrammed District reserves in the current Fiscal Year. Total funding for this contract in the amount not to exceed 150% of \$691,425.00, is based on the following totals by year:

FY20: \$345,712.50

FY21: \$345,712.50

Two Year Total: \$691,425.00

ALTERNATIVES: An alternative would be to re-advertise the Contract, which staff believes would not result in a better price or more competition.

RECOMMENDATION: Staff recommends that the Board adopt the following motion.

MOTION: The General Manager is authorized to award IFB No. 9053 for Brake Lining, Bonded Assembly to Railroad Friction Products for an amount of \$691,425.00 including tax, pursuant to notification to be issued by the General Manager, subject to compliance with the District's Protest Procedure.

Civic Center Station - Scissor Stairs Project - Award of Contract #11IA-112

PURPOSE:

To authorize the General Manager to award Contract No. 11IA-112, Civic Center Scissor Stairs Project, to Wickman Development and Construction (Wickman Development) of San Francisco, CA for the total bid price of \$5,734,100.00.

DISCUSSION:

The purpose of this project is to improve egress performance at the Civic Center/U.N. Plaza Station (M40) by constructing two additional stairways. The proposed stairs connect from the BART platform to the concourse level with an intermediate landing at the MUNI level. The two additional stairways will be constructed adjacent to the two existing stairways. The project will also upgrade the existing stair lighting to increase life cycle, reduce maintenance, improve lighting levels, and match lighting levels in the newly installed stairways.

The scope of work requires the Contractor to provide all labor, equipment, material, and services required for installation of the new stairways and lighting upgrades on the existing stairways.

The District provided an Advance Notice to Bidders to 151 bidders on October 31, 2018. A Pre-Bid Meeting and site tour was conducted on November 28, 2018 with ten prospective bidders. Contract Documents were sent to nineteen contractors and four planrooms. The contract was advertised on local publications and posted to the District's Procurement Portal on November 2nd. Two addendums were issued during the bid period.

A total of two bids were received and publicly opened on January 22, 2019. Tabulation of the bids, including the Engineer’s Estimate is indicated in Table 1 as follows:

Table 1: Contract 11IA-112 Civic Center Scissor Stairs Project Bid Prices

BIDDER	LOCATION	Total Bid Price
Wickman Development and Construction	San Francisco, CA	\$5,734,100.00
Proven Management	Oakland, CA	\$7,326,369.00
ENGINEER’S ESTIMATE		\$6,682,589.00

District staff determined that Wickman Development and Construction was the lowest responsive bidder. Wickman Development’s total bid price of \$5,734,100 was found to be fair and reasonable with the Engineer’s Estimate.

NON-DISCRIMINATION PROGRAM

Pursuant to the District’s Non-Discrimination Program for Subcontracting, the Availability Percentages for this Contract are 18.2% for Minority Business Enterprises (“MBEs”) and 9.3% for Women Business Enterprises (“WBEs”). Wickman Development committed to 26.5% MBE and 0% WBE participation. Wickman Development did not meet the WBE Availability Percentage; therefore, Wickman Development was requested to provide the Office of Civil Rights with supporting documentation to determine if it had discriminated on the basis of gender. Based on the review of the information submitted by Wickman Development, the Office of Civil Rights found no evidence of discrimination.

SMALL BUSINESS PROGRAM

Pursuant to the District’s Non-Federal Small Business Program, the Office of Civil Rights set a 5% Local Small Business Prime Preference for this Contract for Small Businesses certified by the California Department of General Services and verified as Local (i.e., located in Alameda, Contra Costa or San Francisco counties) by the District. Wickman Development is a certified Local Small Business, thus, making it eligible for the Prime Preference. Since Wickman Development is the lowest responsive Bidder and is eligible for the 5% Local Small Business Prime Preference, the application of the Prime Preference will not alter the award to Wickman Development and Construction.

Funding in the amount of \$5,734,100 to award Contract No. 11IA-112 is included in the total project budget for FMS# 11IA002 – Civic Center Platform Stairs.

The table below lists funding assigned to the referenced project and is included to track funding history against spending authority. Funds needed to meet this request will be expended from the following source:

Proposed Funding	
F/G 802A - 2017 Measure RR GOB	\$ 11,200,000
TOTAL	11,200,000

As of January 24, 2019, \$11,200,000 is the total budget for this project. BART has expended \$693,281, committed \$19,319, and reserved \$0 to date. This action will commit \$5,734,100, leaving an available fund balance of \$4,753,300 in these fund sources for this project.

The Office of Controller/Treasurer certifies that funds are currently available to meet this obligation.

This action is not anticipated to have any Fiscal Impact on unprogrammed District reserves.

ALTERNATIVES:

Reject all bids and leave station as is. Station egress will not be improved.

Reject all bids and re-advertise. Re-advertising will delay construction of a safety critical infrastructure improvement. The lowest responsive bidder is 15% lower than the Engineer's Estimate and is also a Local Small Business. Re-advertising is not expected to lower bid prices a considerable amount.

RECOMMENDATION:

Adoption of the following motion.

MOTION:

The General Manager is authorized to award Contract No. 11IA-112 Civic Center Station Scissor Stairs Project to Wickman Development and Construction for the Bid price of \$5,734,100, pursuant to the notice to be issued by the General Manager and subject to the District's Protest Procedures.

BEFORE THE BOARD OF DIRECTORS OF THE
SAN FRANCISCO BAY AREA RAPID TRANSIT DISTRICT

In the Matter of Naming a Road for
Oscar Grant III /

Resolution No. _____

WHEREAS, the Board of Directors of the San Francisco Bay Area Rapid Transit District (the "District") is aware that The Oscar Grant Foundation submitted a request to the City of Oakland to name the road 37.2746123, -122.0757670 on the west side of the Fruitvale BART station in honor of Oscar Grant III, who was shot and killed by a BART police officer on January 1, 2009; and

WHEREAS, the subject road, an existing throughway, is currently unnamed; and

WHEREAS, the District, not the City of Oakland, owns the subject property; and

WHEREAS, the District worked collaboratively with The Oscar Grant Foundation to pursue and acquire state legislation to create the BART Office of the Independent Police Auditor; and

WHEREAS, the District engaged The Oscar Grant Foundation in the design and creation of the BART Police Citizen Review Board; and

WHEREAS, since 2010, the District has worked with The Oscar Grant Foundation to convene an annual, community vigil in honor of Oscar Grant III at the Fruitvale BART Station; and

WHEREAS, the District desires to continue working with The Oscar Grant Foundation to help commemorate Mr. Grant's legacy in various ways, including a mural project at the Fruitvale BART Station; and

WHEREAS, in this spirit, the Board of Directors desires to honor this request to name the currently unnamed road for Oscar Grant III; and

WHEREAS, the naming of a road throughway of an existing public access roadway is exempt from the California Environmental Quality Act.

NOW THEREFORE BE IT RESOLVED, that the Board of Directors of the San Francisco Bay Area Rapid Transit District hereby approves the naming of the currently unnamed road (37.2746123, -122.0757670) on the west side of the Fruitvale BART station between 33rd Avenue and 35th Avenue as "Oscar Grant III Way"; and

BE IT FURTHER RESOLVED, that District staff is directed to erect street signs identifying the road as such.
