Meeting

RCI focused on de-emphasizing  
policing related to:

- Homelessness
- Behavioral Health
- Substance Use

## RCI 20-832

In response to Black Lives Matter, the tragic murder of George Floyd by Minneapolis Police, Bay Area social justice protests and public demand, the Board of Directors requests that the General Manager work with the Board of Directors on an immediate stakeholder process to develop changes to the BART Police model that de-emphasize the use of sworn personnel to respond to homelessness, behavioral health and substance use, among other issues that do not need an armed police response. Recognizing that much has been done to implement progressive and equitable policing practices, we also need to consider a different model of public safety that is more effective and prevents racially biased policing. The goal is to have recommendations for consideration in October when the Board considers revisions to this year's budget.
