CAPITOL CORRIDOR GROUP MANAGER

FC: KF300
PB: 12
PC: 960
BU: 95
June 2001

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

DEFINITION

Plans, directs, manages, and oversees the activities of the Capitol Corridor marketing, planning, and rail services compliances; coordinates activities in conjunction with BART and other partner agencies; provides highly responsible and complex administrative management support to the Managing Director, Capitol Corridor; and performs related duties as assigned.

CLASS CHARACTERISTICS

This single position class manages, through subordinate managers and professionals, the overall development, coordination and monitoring of marketing, planning, and rail compliance activities of the Capitol Corridor passenger rail service. This position is accountable for accomplishing goals and objectives and for furthering Capitol Corridor goals and objectives within general policy guidelines. This position reports to the Managing Director, Capitol Corridor and is distinguished from that position in that the latter has overall administrative management responsibility for the Capitol Corridor passenger rail service.

EXAMPLES OF DUTIES – Duties may include, but are not limited to, the following:

1. Develops and manages the Capitol Corridor annual budget which consists of administrative (internal), marketing and Amtrak operating expenses. Negotiating the annual budgets, securing California State acceptance and funding, paying and reconciling invoices.

2. Manages the development and implementation of goals, objectives, policies and priorities for assigned programs.

3. Monitors and evaluates the efficiency and effectiveness of service delivery methods and procedures; recommends within departmental policy, appropriate service and staffing levels.
4. Plans, directs and manages the finance and planning work plan; assigns work activities, projects and programs; reviews and evaluates work products, methods and procedures; meets with staff to identify and resolve problems.

5. Develops, coordinates and monitors the Capitol Corridor Capital Improvement Program. Oversees allocated projects, including the preparation of funding grants/requests, securing approval, managing through the State budget process and implementation of the projects once funded.

6. Oversees and directs the coordination and integration of the Capitol Corridor service plan with local and regional transportation and transit systems; meets with related officials, executives and staff; resolves scheduling and logistics problems.

7. Manages multi-year strategic plans for the Corridor, including detailing with the contractors, approval of the Capitol Corridor Joint Powers of authority (CCJPA)

8. Monitors developments and legislation related to assigned areas of responsibility; evaluates impact upon Capitol Corridor marketing and promotional activities; recommends and implements policy and procedural improvements. Develops and coordinates Legislative outreach program to insure adequate funding levels are secured for annual budget.

9. Reviews and manages the Capitol Corridor fare structure and policy, including a joint ticketing programs with local transit agencies

10. Along with CCPJA, assumes management responsibilities for the maintenance of train equipment, which includes supervision of the Rail Services Compliance Officer position. This includes overseeing the administration/management of rolling stock maintenance program including budget development and expenses, renovation plans, and fleet expansion/acquisition.

11. Directs oversight of contracted entities to ensure contractor compliance with contractual rules, regulations and standards including station maintenance, equipment cleaning, and customer service.

12. Directs and oversees various databases including daily operations reports, service performance reports, and customer comments.

13. Provides staff assistance to the Capitol Corridor Managing Director; participates on a variety of boards, commissions and committees; prepares and presents staff reports and other necessary correspondence.

14. Attends and participates in professional group meetings; stays abreast of new trends and innovations in the field of marketing and customer relations.
15. Conducts and oversees a variety of organizational studies, investigations and operational studies; recommends modifications to assigned programs, policies and procedures as appropriate.

16. Oversees the preparation of numerous presentations including monthly and quarterly status reports and annual reports to the legislature and other public officials and affected agencies.
