

SENIOR ADMINISTRATIVE ANALYST

FC: AC220, AF220
PB: D
FLSA: Exempt

PC: 880, 881
BU: 31, 91 (AFSCME, NR)
Revised: June 2015

*Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are **not** intended to reflect all duties performed within the job.*

DEFINITION

Performs a wide variety of complex technical, budgetary, analytical, procurement and administrative support duties for an assigned department or division; coordinates administrative systems, procedures and operations; and performs related duties as assigned.

CLASS CHARACTERISTICS

This is the advanced journey level class in the Administrative Analyst series. Positions at this level possess a specialized, technical, or functional expertise within the area of assignment or may exercise lead supervision over assigned lower level staff. Employees are typically assigned significant responsibilities above the journey level and often exercise independent judgment in the performance of all duties. This class is distinguished from the Principal Administrative Analyst in that the latter performs the most complex work assigned to series and may serve in a working supervisory capacity over lower level staff.

REPORTS TO

Assigned Department Manager or his/her designee.

EXAMPLES OF DUTIES – *Duties may include, but are not limited to, the following:*

1. Performs a variety of complex administrative, operational, and analytical duties in support of department or division activities; coordinates project activities with District departments, divisions and external organizations.
2. Coordinates the development, analysis and formulation of the annual budget; develops guidelines and instruction on budget process and procedures; reviews requests for staffing and capital outlay; forecasts funds needed for staffing, equipment and various projects; prepares departmental budget presentations; plans, receives, pays, and improves invoices, generates budget reports; provides status updates to appropriate Manager or Managing Director.

3. Assists with the implementation of policy and procedural modifications; evaluates impact on divisions or departments; develops implementation plans; recommends and implements modifications.
4. Implements new systems, methods and procedures; monitors program progress in meeting goals and objectives; conducts updates with management staff to inform and advise on project progress; makes adjustments as necessary.
5. Coordinates and participates in District department or division organizational studies involving administrative or operational systems, procedures, functions, processes and techniques.
6. Develops, implements and administers special administrative programs; analyzes current and historical trends; prepares and presents reports.
7. Provides assistance in organizational development in assigned areas; identifies issues; collects data; analyzes alternatives and makes recommendations.
8. Participates in special projects including research of new programs and services, budget analysis and preparation, and feasibility analyses; prepares and presents reports.
9. Trains assigned employees in their area of work including administrative methods, procedures and techniques.
10. Oversees general office activities; procures supplies; approves invoices; develops personnel schedules; responds to inquiries; investigates complaints; provides general analytical support.
11. Represents assigned area at various meetings with other departments, divisions, outside agencies and contractors; communicates projects and activities with others as appropriate; prepares for and provides assistance with hosting and participating in transportation related meetings and events.
12. Responds to and resolves difficult and sensitive inquiries and complaints.
