Director Josefowitz commended Tamar Allen and her staff for all the hard work as presented.

Director Josefowitz requested all available information about each and every fare evasion citation that does not reveal any personally identifiable information be put on the open-data portal. Director Saltzman seconded the request.

Director Allen requested the following:
1. Community Partnerships with County and City Law Enforcement Agencies.

   BART must find immediate solutions to its crime problems, while we work on longer term solutions of increasing the BART Police Department staffing. As a short term measure, staff is directed to conduct meetings with the County Sheriff’s, and Chiefs of Police of the cities in which BART has stations over the next one month to determine the resources that could be made available to our BART PD in the form of 6-12 month contracts of ongoing additional resources. Staff should return to us at the second October meeting with information and related costs to BART.

2. Programming of Fare Inspector Scanners. Research ways to have the Fare scanners used by Fare Inspectors report out the number of each shift and monitor the number of scans done by shift. Director McPartland seconded both requests.

Director McPartland reported being the featured speaker at the Castro Valley Veteran’s Memorial for 911.
